## **CSEA, ONONDAGA COUNTY WORKERS' UNION, ENDORSES MATT BEADNELL FOR COUNTY COMPTROLLER**

EAST SYRACUSE – CSEA, one of the largest labor unions representing workers throughout Onondaga County, including about 2400 Onondaga County workers, today announced its endorsement of Matt Beadnell for County Comptroller in the general election on November 5<sup>th</sup>.

The CSEA endorsement was officially made by the union's Central Region Political Action Committee. CSEA Onondaga County Local 834 President Dan Vadala said that Beadnell understands the relationship needed between CSEA and the Comptroller's office for the County to be successful.

"As Comptroller, Matt understands that his office's success is directly tied to the CSEA members who support the work the office does every day. The relationship between Comptroller and the CSEA members working in his office is of the utmost importance and Matt believes this more than anything. Matt will continue to make sure that things are conducted the correct way while ensuring the fiscal stability of the County."

"It is an absolute honor to receive the CSEA endorsement for my race as your Onondaga County Comptroller. Thank you to Kenny Greenleaf, Dan Vadala, Tammy Honeywell, all of my employees in the Comptroller's Office and all of the men and women that make up this great union. Your core values reflect the same level of standards I firmly believe in. I look forward to continuing my partnership with CSEA," said Beadnell.

CSEA represents more than 8,000 active and retired workers living in Onondaga County, and is New York State's largest public workers' union, representing employees of New York State and its counties, towns, villages, school districts, library systems, authorities and public corporations. Together with a growing population of private sector members and retirees, CSEA forms a union nearly 300,000 strong. It is also the largest affiliate (and Local 1000) of the American Federation of State, County and Municipal Employees (AFSCME) which, in turn, is one of the largest affiliates of the AFL-CIO.
