

**REGION 6
CONTEST**

NAME THE REGION 6 POLAR PLUNGE TEAM

In memory of our long-time past region president, Flo Tripi, who was so passionate about supporting the Special Olympics through their Polar Plunge campaign every year, the region officers and I thought it would be a wonderful tribute to name the Region 6 Polar Plunge Team after Flo.

What better way to come up with a team name than to make it fun and have a contest.

Each Local, Unit and Section can submit an entry for the team name. The only “rule” is the team name has to have “FLO” or “FLORENCE” in it.

There will be an entry box at the registration table at the Fall Conference. You can submit your entry using the form below. The winner will be selected by the region officers and announced after the basket raffle on Saturday afternoon.

One winner will be selected and a prize will be awarded to the Local, Unit or Section that wins.
