

CSEA's 2018 candidate endorsements

CSEA recently announced the endorsements of the following candidates for congressional and state offices.

Our union has an open, member-driven endorsement process. Union members serving on political action committees at the region, local, and unit levels interview candidates, review voting records, and determine whether a candidate has our members' interests in mind, regardless of their political party.

CSEA takes very seriously our endorsements of candidates and properly interviews and vets each one. We do not make endorsements based on party, but rather on who will best represent the interests of our members and protect the services our members provide. On this page is a list of CSEA endorsed candidates running for election in 2018.

For more information or to **help volunteer** for a campaign, contact your region Political Action Coordinator:

Long Island Region: Sue Castle (631) 462-0030
