EXCELSIOR
COLLEGE.®

“Excelsior took all of my credits.

I was able to jump right into upper-level courses.”

KEVIN FEALEY, BS IN ELECTRICAL ENGINEERING TECHNOLOGY

FIND YOUR AREA OF STUDY

Choose from degrees at the associate and bachelor’s levels in liberal arts, and at the associate, bachelor’s, and master’s levels in business, health sciences, public service, technology, and nursing.

USE YOUR PARTNER BENEFITS

You and your spouse or domestic partner will receive up to 40 percent off tuition and fees. You can also apply for grants, loans, and scholarship opportunities by completing the Free Application for Federal Student Aid (FAFSA), and use military benefits.

MAKE YOUR KNOWLEDGE COUNT

Bring in all but 7 credits toward a bachelor’s or associate degree. You could transfer credit from your prior college courses and receive credit for military and workforce training; professional licenses and certifications; and CLEP, DANTES, and other approved exams.

CHOOSE YOUR CREDIT OPTIONS

Earn credit through online courses or independently studying for and taking assessment exams, or by taking courses at a regionally accredited institution and transferring the credit.
