

2022

**CSEA**  **STAY UNION**  
**STAY STRONG**

*“When testing access was limited, public health nurses worked to ramp up surveillance and detection efforts by running drive-thru COVID testing. The nurses ensured vaccines were properly stored and handled, precisely reconstituted, and safely administered. Public health nurses were essential in mitigating community transmission, all while maintaining other essential public health services.”*

— Shanna Siegel, RN, supervising public health educator, Putnam County
