DIVISION OF MILITARY AND NAVAL AFFAIRS UNIT AGREEMENT

Agreement made by and between the Executive Branch of the State of New York (the “State”) and the Civil Service Employees Association, Inc. (“CSEA”).

Article 1 Recognition

The State, pursuant to the Authority set forth in Section 204 of the Civil Service Law recognizes CSEA as the sole and exclusive representative of those employees in the Division of Military and Naval Affairs Unit for the purpose of collective negotiations concerning salaries, wages, hours of work and other terms and conditions of employment of employees serving in positions in such Unit. The terms “employee” or “employees” as used in this Agreement shall mean only employees serving in positions in the Division of Military and Naval Affairs Unit.

Article 2 Statement of Policy and Purpose

§2.1 It is the policy of the State to continue harmonious and cooperative relationships with its employees and to ensure the orderly and uninterrupted operations of government. This policy is effectuated by the provisions of the Public Employees’ Fair Employment Act granting public employees the rights of organization and collective representation concerning the determination of the terms and conditions of their employment.

§2.2 The State and CSEA now desire to enter into an agreement reached through collective negotiations which will have for its purpose, among others, the following:

- (a) To recognize the legitimate interests of the employees of the State to participate through collective negotiations in the determination of the terms and conditions of their employment.
- (b) To promote fair, safe, and reasonable working conditions.
- (c) To promote individual efficiency and service to the citizens of the State.
- (d) To avoid interruption or interference with the efficient operation of the State’s business.
- (e) To provide a basis for the adjustment of matters of mutual interest

by means of amicable discussion.

Article 3

Unchallenged Representation

The State and CSEA agree, pursuant to Section 208 of the Civil Service Law, that CSEA shall have unchallenged representation status for the maximum period permitted by law on the date of execution of this Agreement.

Article 4

Employee Organization Rights

§4.1 Exclusive Negotiations With CSEA

(a) The State will not negotiate or meet with any other employee organization or employee group with reference to terms and conditions of employment of employees. When such organizations or employee groups, whether organized by the employer or employees, request meetings for any other purpose, notice shall be sent to the local CSEA representative and CSEA shall be afforded the opportunity to attend such meetings in order that CSEA may fulfill its obligation as a collective negotiating agent to represent these employees and groups of employees.

§4.2 Payroll Deductions

CSEA shall have exclusive payroll deduction of membership dues and premiums for all forms of insurance sponsored by CSEA and no other employee organization or any other organization shall be accorded any such payroll deduction privilege for membership dues and/or premiums for any form of insurance. Credit unions shall not be accorded any payroll deduction privilege for insurance premiums unless such insurance is incidental to a loan.

Pursuant to law, the State shall provide to CSEA exclusive payroll deduction for all unit employees who elect to participate in the AFSCME program known as "Public Employees Organized for Political and Legislative Equality."

The parties agree that voluntary deductions for CSEA dues and other authorized deductions allowed by Section 110-b of the Retirement and Social Security Law will continue to be available to all CSEA retirees who retired on or after January 1, 1987.

§4.3 Bulletin Boards

The State shall provide a reasonable amount of exclusive bulletin board space in an accessible place in each area occupied by a substantial number of employees for the purpose of posting bulletins, notices and material issued by CSEA, which shall be signed by the designated

official of CSEA or its appropriate local. No such material shall be posted which is profane, obscene, or defamatory of the State or its representatives, or which constitutes election campaign material for or against any person, organization, or faction thereof. No other employee organization except employee organizations which have been certified or recognized as the representative for collective negotiations of other State employees employed at such locations shall have the right to post material upon State bulletin boards, provided, however, that such right shall not be exclusive during campaign periods or periods of challenge as defined in Section 208 of the Civil Service Law.

The number and location of bulletin boards as well as arrangements with reference to placing material thereon and removing material therefrom shall be subject to mutual understandings at the Division or facility level, provided, however, that any understanding reached with respect thereto shall provide for the removal of any bulletin or material objected to by the State which removal may be contested pursuant to the contract grievance procedure provided for herein.

§4.4 Meeting Space

(a) No other employee organization, except employee organizations which have been certified or recognized as the representative for collective negotiations of other State employees, shall have the right to meeting space in State facilities. No employee group shall have the right to meeting space in State facilities for the purpose of discussing terms and conditions of employment which are the responsibility of the collective bargaining agent.

§4.5 Access to Employees

(a) CSEA representatives shall, on an exclusive basis, except during campaign periods and periods of challenge as defined in Section 208 of the Civil Service Law, have access to employees during working hours to explain CSEA membership, services, and programs under mutually developed arrangements with Division or facility heads. Any such arrangements shall ensure that such access shall not interfere with work duties or work performance. Such consultations shall be no more than 15 minutes per employee per month and shall not exceed an average of 10 percent per month of the employees in the operating unit (e.g., main office or appropriate facility) where access is sought.

(b) The Division may make reasonable and appropriate arrangements with CSEA whereby it may advise employees of the additional availability of CSEA representatives for consultations during non-working hours concerning CSEA membership, services, and programs.

§4.6 Lists of Employees

(a) The State, at its expense, shall furnish the CSEA Director of Contract Administration, on at least a quarterly basis, information showing the name, address, unit designation, social security number, payroll agency, alphabetic title, seniority date*, date of original appointment to State service and veteran status code of all new employees and any current employees whose payroll agency or address has changed during the period covered by the report.

§4.7 Leave for Internal Union Affairs

(a)(1) The State shall grant a total of 750 workdays of employee organization leave during each year of the Agreement to CSEA as a whole (Administrative, Division of Military and Naval Affairs, Institutional and Operational Units) for the use of employees attending internal CSEA committee and Board meetings. Within 30 days of the execution of this Agreement, CSEA shall provide the State with a list of committees and boards in the categories described above, along with the names and work locations of employees appointed to those committees and boards. Only employees so designated shall be entitled to authorized employee organization leave and only for the committees and boards provided as required above. CSEA shall notify the State in writing of any addition or deletion of committees and boards and/or employees assigned to those committees or boards. Failure to notify the State accordingly can result in the forfeiture of use of employee organization leave for the desired purpose at the State's discretion.

In the event that CSEA exceeds the 750 workday employee organization leave maximum described herein, CSEA shall reimburse the State for the actual cost of the involved employee(s)' salary.

(2) Employee organization leave shall be granted for one (1) delegate meeting per year, not to exceed five (5) days' duration. In addition, reasonable travel time shall be granted for such meetings.

(3) Present methods and procedure for approving applications for attendance at such meetings described in (1) and (2) above shall continue unchanged.

(b) A reasonable number of employees serving on CSEA statewide negotiating teams shall be granted employee organization leave, including reasonable time for preparation and travel time, for the purpose of negotiating with representatives of the State.

*Date of initial permanent appointment to a Division position followed by continuous Division service.

(c) Employee organization leave pursuant to subdivision (a) of this section may not be granted unless CSEA provides to the Director of the Office of Employee Relations or the Director's designee at least five (5) days advance notice of the purpose and dates for which such leave is requested and the names and workstations of the employees for whom such leave is requested. The granting of such leave shall be subject to the reasonable operating needs of the State. Should an agency need to deny leave requested under 4.8(a)(2) due to reasonable operating needs, that agency must first discuss the intended denial with the Director of OER or their designee.

CSEA shall provide to the Director of the Office of Employee Relations, on a quarterly basis, a list of CSEA officers and directors, local officers, and other employees eligible for employee organization leave, together with official workstations, departments, and agencies of such employees. Where a CSEA Local is comprised of employees from more than one agency and/or work location, CSEA shall so indicate. An employee whose name does not appear on the list can be denied employee organization leave, at the State's discretion.

(c) Under special circumstances and upon advance request, additional employee organization leave may be granted by the Director of the Office of Employee Relations.

§4.8 Contract/Non-Contract and Disciplinary Grievance Investigation and Representation

CSEA Local representatives shall be granted reasonable and necessary employee organization leave, including travel time, for the investigation of claimed grievances and processing of grievances at all steps of the grievance process pursuant to the provisions of Articles 33 and 34 of this Agreement subject to the following conditions:

(1) Employees Designated as Representatives

Beginning April 1, 1999, and quarterly thereafter, CSEA shall provide the Director of the Office of Employee Relations with a listing of grievance representatives including official workstation and departments/agencies of such employees. Between quarterly listings, CSEA shall notify the State in writing on the first of each month of any addition or deletion affecting the employees eligible for employee organization leave for this purpose.

Where a CSEA Local is comprised of employees from more than one agency and/or work location, CSEA shall so indicate. An employee whose name does not appear on the list can be denied employee organization leave, at the State's discretion.

(2) When such activities extend beyond the employee's scheduled

working hours, such time shall not be considered as in paid status.

§4.9 Leave for Labor/Management Activity

A reasonable number of employees shall be granted a reasonable amount of employee organization leave, including travel time, for the purpose of participating in mutually scheduled joint meetings of special committees established pursuant to other Articles of this Agreement or mutually scheduled joint meetings of management and employees.

§4.10 Leave of Absence Information

The State shall provide an employee who is going on an authorized leave of absence with information regarding continuation of coverage under the State's Health Insurance Program during such leave. The State shall also provide to such an employee a memorandum prepared by CSEA regarding necessary payments for CSEA dues and insurance premiums during such leave.

§4.11 Travel Time

Travel time as used in this Article shall mean actual and necessary travel time not to exceed five (5) hours each way.

Article 5

Management Rights

§5.1 Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the State are retained by it, including, but not limited to, the right to determine the mission, purposes, objectives and policies of the State; to determine the facilities, methods, means and number of personnel required for conduct of State programs; to administer the Merit System, including the examination, selection, recruitment, hiring, appraisal, training, retention, promotion, assignment or transfer of employees pursuant to law; to direct, deploy and utilize the work force; to establish specifications for each class of positions and to classify or reclassify and to allocate or reallocate new or existing positions in accordance with law; and to discipline or discharge employees in accordance with law and the provisions of this Agreement.

§7.3 Movement from Hiring Rate to Job Rate

(a) Employees who complete one (1) year of service in full-time employment status at a basic annual salary rate which is below the job rate of their salary grade, whose performance at the completion of each year of service is rated at least "satisfactory" or its equivalent, shall be eligible to receive an increment advance.

For the purpose of determining the date upon which the year of service is completed, any pay period for which the employee was on leave without pay or on leave with less than full pay for the full payroll period will not be counted.

Increment advances shall be an amount equal to one-seventh of the difference between the hiring rate and the job rate of the grade. Employees hired or promoted on or after April 2 and through October 1 will have an increment anniversary date of October 1. Employees hired or promoted on or after October 2 and through April 1 will have an April 1 increment anniversary date. All hired or promoted

§7.5 Movement Between Salary Grades

For those employees who move between salary grades, service in a higher salary grade will be creditable toward the service in grade requirement for an increment advance in a lower salary grade; service in a lower salary grade will not be creditable for an increment advance in a higher salary grade.

§7.6 Movement to a Lower Salary Grade

(a) Non-permanent employees who move to a lower salary grade will be placed at a rate in the lower grade which corresponds to their combined increment advance in both the higher and lower salary grades.

(b) Employees who move to a lower salary grade and whose salary is

below the job rate will be eligible for increment advances as described above.

§7.7 Applicability

(a) Section 7.1 above shall apply on a pro rata basis to employees paid on an hourly or per diem basis or on any basis other than at an annual rate, or to employees paid on a part-time basis. Such sections shall not apply to employees paid on a fee schedule.

(b) Sections 7.2, 7.3, 7.4, 7.5, and 7.6 shall apply on a pro rata basis as appropriate to employees paid on an hourly or per diem basis or on any basis other than at an annual rate, or to employees paid on a part-time basis. The above provisions shall not apply to employees paid on a fee schedule.

Effective October 1, 2008, the amount of the Downstate Adjustment shall be \$3,026, effective April 1, 2023, it shall be \$3,087, and effective April 1, 2024, it shall be \$3,400.

(b) Eligible employees in Orange, Dutchess, and Putnam Counties will receive a Mid-Hudson Adjustment in addition to their base annual salary. Effective October 1, 2008, the amount of the Mid-Hudson Adjustment shall be \$1,513, effective April 1, 2023, it shall be \$1,543, and effective April 1, 2024, it shall be \$1,650.

(c) Employees in Monroe County receiving \$200 location pay on March 31, 1985, will continue to receive it throughout the Agreement only as long as they are otherwise eligible.

§7.10 Holiday Pay

(a) Any employee who is entitled to time off with pay on days observed as holidays by the State as an employer will receive at the employee's option additional compensation for time worked on such

days or compensatory time off. Such additional compensation, except as noted in 7.10(d) below, for each such full day worked will be at the rate of 1/10 of the employee's bi-weekly rate of compensation. Such additional compensation for less than a full day of such work will be prorated. Such rate of compensation will include geographic, location, inconvenience, shift pay, and the downstate adjustment as may be appropriate to the place or hours worked. In no event will an employee be entitled to such additional compensation or compensatory time off unless the employee has been scheduled or directed to work.

§9.16 Prescription Drug Premium Contribution Level

Eligible CSEA employees enrolled in the New York State Health Insurance Program (NYSHIP) will be provided with prescription drug coverage either through the Empire Plan Prescription Drug Program or a Health Maintenance Organization. For employees in a title Salary Grade 9 or below or an employee equated to a position title Salary Grade 9 or below, the State agrees to pay 88 percent of the cost of individual coverage and 73 percent of the cost of dependent coverage toward the prescription drug component provided under the Empire Plan or each HMO. For employees in a title Salary Grade 10 and above or an employee equated to a position title Salary Grade 10 and above, the State agrees to pay 84 percent of the cost of individual coverage and 69 percent of the cost of dependent coverage toward the prescription drug component provided under the Empire Plan or each HMO.

§9.17 Health Insurance Enrollment Opt-out

NYSHIP enrollees who can demonstrate and attest to having other coverage may annually elect to opt-out of NYSHIP's Empire Plan or Health Maintenance Organizations. Employees who choose not to enroll in NYSHIP will receive an annual payment of \$1,000 for not electing individual coverage and \$3,000 for not electing family coverage. The Optout program will allow for re-entry to NYSHIP during the calendar year subject to a Federally Qualifying Event and during the annual option transfer period. The enrollee must be enrolled in NYSHIP prior to April 1st of the previous plan year in order to be eligible to opt out, unless newly eligible to enroll. The Opt-out payment will be prorated over the twenty-six (26) payroll cycles and appear as a credit to the employee's wages for each biweekly payroll period the eligible individual is qualified.

§9.18 Prescription Drug Benefit Structure

(a) The Empire Plan Prescription Drug Program benefits shall consist of the following: Prescription Drug Program will cover medically necessary drugs, including vitamins and contraceptive drugs and devices, requiring a physician's prescription, and dispensed by a licensed pharmacist.

Mandatory Generic Substitution will be required for all brand-name multisource prescription drugs (a brand-name drug with a generic equivalent) covered by the Prescription Drug Program.

When a brand-name prescription drug is dispensed and an FDA-approved generic equivalent is available, the member will be responsible for the difference in cost between the generic drug and the non-preferred brand-name drug (ancillary charge), plus the non-preferred brand-name copayment.

The three-level prescription drug benefit will continue. The copayment for prescription drugs purchased at a retail pharmacy or the mail service pharmacy for up to a 30-day supply shall be as follows:

- \$5 Generic/Level One
- \$30 Preferred-Brand/Level Two
- \$60 Non-Preferred Brand/Level Three

The copayment for prescription drugs purchased at a retail pharmacy for a 31–90-day supply shall be as follows:

- \$10 Generic/Level One

- \$120 Non-Preferred Brand/Level Three

The copayment for prescription drugs purchased through the mail service pharmacy for a 31–90-day supply will be as follows:

- \$5 Generic/Level One
- \$55 Preferred Brand/Level Two
- \$110 Non-Preferred Brand/Level Three

(b) A medical exception program is available for non-formulary prescription drugs that are excluded from coverage. If a physician's request for a medical exception is approved, the Level One copayment will apply for generic drugs and the Level Three copayment will apply for brand-name drugs.

(c) A Dispense as Written exception request is available for medically necessary prescription non-preferred brand-name drugs that have a generic equivalent. If a physician's request for medical necessity

is approved, the Level Three copayment is charged, but the member will not be responsible for the difference in cost between the generic drug and the non-preferred brand-name drug (ancillary charge).

(d) Drugs considered to be “specialty drugs” (including but not limited to drugs requiring special handling, special administration and/or intensive patient monitoring and biotech drugs developed from human cell proteins and DNA) will be dispensed through the Empire Plan Specialty Pharmacy Program.

- Enrollees may fill one prescription for a drug included in the Specialty Pharmacy Program at a retail pharmacy, subject to plan requirements. After the initial fill at a retail pharmacy, all subsequent fills must be dispensed through the Specialty Pharmacy Program. Prior Authorization, (Specialty Guideline Management), may be applied to specialty drugs to ensure safe and appropriate use. Updates to the Specialty Pharmacy Program Drug List and the Prior Authorization List may be made no more than quarterly. Impacted members will be notified at least thirty (30) days in advance of such updates.

- Drugs included in the Specialty Pharmacy Program will be assigned to copayment levels subject to the following copayments:

- a) for up to a 30-day supply:

- a. \$5 Generic/Level One

- b. \$30 Preferred-Brand/Level Two

- c. \$60 Non-Preferred Brand/Level Three

- b) for a 31-to-90-day supply:

- a. \$5 Generic/Level One

- b. \$55 Preferred Brand/Level Two

- c. \$110 Non-Preferred Brand/Level Three

(e) Annual changes may be made to the Advanced Flexible Formulary once a year on January 1st. Such changes may include moving drugs to a higher or lower Level and coverage of previously excluded drugs. Access to one or more drugs in select therapeutic categories may be excluded if the drug(s) has no clinical advantage over other generic and brand name medications in the same therapeutic class. Members impacted will be notified at least 45 days in advance of the change and, for exclusions, will be informed of covered, preferred alternative medications.

(f) When deemed appropriate the Empire Plan Prescription Drug Program Insurer/Pharmacy Benefit Manager shall be permitted additional flexibility in the management of the formulary, including the following:

- Prior Authorization may be applied to non-specialty drugs to ensure safe and appropriate use. Updates to the Prior Authorization List may be made no more than quarterly. Impacted members will be notified at least thirty (30) days in advance of such updates.
- Brand for Generic (B4G) strategy. Place a brand name drug on Level One and exclude or place a generic drug on Level Three subject to the appropriate copayment. This placement may be revised mid-year when such revision is advantageous to the Plan. Impacted members will be notified at least thirty (30) days in advance of such placement.
- Certain therapeutic categories with two or more clinically sound and therapeutically equivalent Level One options may not have a brand name drug in Level Two.

§9.19 Part-time Employees

The State Health Insurance Plans' regulations shall continue to stipulate that the term employee means any person in the service of the State as employer whose regular work schedule is at least half-time per bi-weekly payroll period.

§9.20 Waiting Period

There shall be a waiting period of forty-two (42) days after employment before an employee shall be eligible for enrollment under the State's Health Insurance Program.

§9.21 Dependent Proofs/Coverage

(a) Current and/or new enrollees opting for family coverage must provide the names of all covered dependents to the Plan Administrator. In the case of covered newborn dependents, names shall be provided within 3 months of the date of birth. Additionally, the social security numbers of a covered spouse, if applicable, and/or dependents up to age 26, if applicable shall be provided to the Plan Administrator in order to verify continued eligibility for family coverage and to facilitate coordination of benefits.

(b) Covered dependents of employees who are activated for military duty as a result of an action declared by the President of the

United States or Congress shall continue health insurance coverage with no employee contribution for a period not to exceed 12 months from the date of activation, less any period the employee remains in full pay status. Contribution free health insurance coverage will end at such time as the employee's active duty is terminated or the employee returns to State employment, whichever occurs first.

§9.22 Domestic Partners

Domestic partners who meet the definition of a partner and can provide acceptable proofs of financial interdependence as outlined in the Affidavit of Domestic Partnership and Affidavit of Financial Interdependency shall be eligible for health care coverage. As part of this agreement, the impact of such domestic partner coverage under the Empire Plan will continue to be reviewed through the Joint Committee on Health Benefits, including the appropriateness of the existing waiting periods.

§9.23 Seasonal Employees

(a) Seasonal employees who, at the time of hire, are expected to be continuously employed on at least a half-time basis for at least six-months, shall be eligible to apply for health insurance coverage as of the date of employment. Coverage shall be subject to a 42-day new employee waiting period starting on the date of first employment, and benefits shall be available as of the 43rd day of employment, assuming the employee submitted a written application for coverage during the 42-day waiting period and was on the payroll or on authorized workers' compensation leave without pay for the entire 42-day waiting period.

(b) Seasonal employees who, at the time of hire, are not expected to be continuously employed on at least a half-time basis for at least six months, shall not be eligible for health benefits at the start of employment. However, upon actual completion of six months of continuous employment on at least a half-time basis, an employee so hired shall become eligible to apply for health benefits. Coverage shall become effective following the completion of a 42-day new employee waiting period that commences on the day following their completion of six months of such a work schedule, assuming the employee submits a written application for coverage during the waiting period and remains on the payroll or on authorized workers' compensation leave without pay for the entire 42-day waiting period.

(c) Where the state establishes a seasonal position for six months or more, the appointee to that position shall not have his or her service intentionally broken solely for the purpose of rendering that employee ineligible for health insurance purposes. However, if that

individual's service is broken for another reason, the individual shall not be eligible to continue coverage after employment is terminated, except as described in Section (d) below.

(d) Should a seasonal employee who attained health insurance coverage under Section (a) or (b) above, leave the payroll and then be rehired subsequently, the employee shall retain eligibility for health insurance coverage upon rehire without being hired for an anticipated six-month period of continuous employment on at least a half-time basis, provided the employee is not off the payroll more than six months. An employee so rehired may continue his or her health insurance by paying the full cost of the coverage for the period of time he or she is off the payroll, or, if not rehired, until the date that is six months from the date employment terminated.

§9.24 10-month Employees

Ten-month permanently appointed employees at the NYS School for the Deaf and the NYS School for the Blind eligible for health insurance coverage through NYSHIP, may continue their NYSHIP enrollment during the school's summer session by paying extra health insurance deductions prior to their removal from the payroll to cover premiums owed for the summer months in accordance with the side letter between CSEA and New York State.

§9.25 Layoff

A permanent full-time employee who loses employment as a result of the abolition of a position on or after April 1, 1977, shall continue to be covered under the State Health Insurance Plan at the same contribution rate as an active employee for one year following such layoff or until reemployment by the State or employment by another employer, whichever first occurs.

§9.26 Workers' Compensation

(a) A permanent full-time employee who is removed from the payroll due to an accepted work-related injury or occupational condition shall remain covered under the State Health Insurance Plan and the terms as defined in §11.5 of this agreement.

(b) A permanent full-time employee who is removed from the payroll due to a controverted work-related injury or occupational condition will have the right to apply for a health insurance premium waiver. The appropriate agency will be responsible to inform the employee of his or her right to apply for the waiver prior to the employee meeting the eligibility requirements for the waiver of premium.

(c) A permanent full-time employee who is removed from the

payroll due to an assault, as described in Article 11.5, and is granted workers' compensation for up to 24 months shall remain covered under the State Health Insurance Plan for the same duration and will be responsible for the employee share of premium.

§9.27 Disabled/Deceased Employees

(a) Continued health insurance coverage will be provided for the un-remarried spouse and other eligible dependents of employees who die in State service under circumstances under which they are eligible for the accidental death benefit or for weekly cash workers' compensation benefits under the same conditions prescribed in Section 165 of the Civil Service Law for dependents of a deceased employee who was at the time of death an employee at a correctional facility having individual and dependent coverage at the time of death and where death occurred as a result of injuries during the period from September 9 through 13, 1971.

(b) If an employee is granted a service-connected disability retirement by a retirement or pension plan or system administered and operated by the State of New York, the State will continue the health insurance of that employee on the same basis as any other retiring employee, regardless of the duration of the employee's service with the State.

§9.28 Retirement/Deceased Employees

(a) The un-remarried spouse and otherwise eligible dependent children of an employee, who retires after April 1, 1979, with ten or more years of active State service and subsequently dies, shall be permitted to continue coverage in the health insurance program with payment at the same contribution rates as required of active employees for the same coverage.

(b) The un-remarried spouse and otherwise eligible dependent children of an active employee, who dies after April 1, 1979 and who, at the date of death, had at least 10 years of benefits eligible service and who was at least 45 years of age and was within 10 years of the minimum retirement age shall be permitted to continue coverage in the health insurance program with payment at the same contribution rates as required of active employees for the same coverage.

§9.29 Service Requirements/Sick Leave Credit

(a) Employees covered by the State Health Insurance Plan have the right to retain health insurance after retirement upon completion of ten years of service.

(b) An employee who is eligible to continue health insurance coverage upon retirement is entitled to a sick leave credit to be used to

defray any employee contribution toward the cost of the premium. The basic monthly value of the sick leave credit shall be calculated according to the procedures in use on March 31, 2007. For employees retiring on or after October 1, 2011, the calculation of sick leave credit shall be based on the actuarial table Section 41J in effect on October 1, 2011. Employees retiring on or after January 1, 1989, may elect an alternative method of applying the basic monthly value of the sick leave credit. Employees selecting the basic sick leave credit may elect to apply up to 100% of the calculated basic monthly value of the credit towards defraying the required contribution to the monthly premium during their own lifetime. If employees who elect that method predecease their eligible covered dependents, the dependents may continue to be covered, but must pay the applicable dependent survivor share of the premium. Employees selecting the alternative method may elect to apply only up to 70% of the calculated basic monthly value of the credit toward the monthly premium during their own lifetime. Upon the death of the employee, however, any eligible surviving dependents may also apply up to 70% of the basic monthly value of the sick leave credit toward the dependent survivor share of the monthly premium for the duration of the dependents' eligibility. The State has the right to make prospective changes to the percentage of credit to be available under this alternative method for future retirees as required to maintain the cost neutrality of this feature of the plan. The selection of the method of sick leave credit application must be made at the time of retirement and is irrevocable. In the absence of a selection by the employee, the basic method shall be applied.

(c) Eligible enrollees who opt-out of NYSHIP coverage pursuant to Section 9.17 of this Article shall be deemed to be "enrolled" in NYSHIP for the sole purpose of eligibility for retiree health insurance coverage.

§9.30 Deferral of Health Insurance

An employee retiring from State service may delay commencement or suspend his/her retiree health coverage and the use of the employee's sick leave conversion credits indefinitely, provided that the employee applies for the delay or suspension and furnishes proof of continued coverage under the health care plan of the employee's spouse, or from postretirement employment.

§9.31 Joint Committee on Health Benefits

- (a) The State and CSEA agree to continue the Joint Committee on Health Benefits.
- (b) The State shall seek the appropriation of funds by the

The Joint Committee on Health Benefits will work with the State to oversee the solicitation by the medical/surgical/basic medical carrier of Ambulatory Surgical Centers in bordering states and in those states where retirees commonly reside.

(7) The continuation of the Home Care Advocacy Program (HCAP) and the ongoing review of services offered. The JCHB shall work with the State to review and monitor the utilization of DME under HCAP, specifically requests, approvals and denials of duplicate equipment. If necessary, the

(8) The Joint Committee on Health Benefits will continue to review the impact of Domestic Partner coverage.

(9) The Joint Committee on Health Benefits will work with the State to monitor and oversee the Specialty Pharmacy Program.

(10) If reimportation of prescription drugs becomes permissible under applicable law, rule, regulation or other appropriate approval, the parties agree to work through the JCHB to explore the plan's use of such reimported drugs and evaluate the overall impact to the Empire Plan Prescription Drug Program. The parties will determine whether to recommend the implementation of the plan's utilization of such drugs if both parties agree that it is practicable, cost effective and able to be implemented into and become part of the current Empire Plan prescription drug program. Implementation of the alternative drug program for CSEA-represented employees will not take place without the agreement of the CSEA JCHB.

(11) The JCHB will work with the State and the Empire Plan prescription drug carriers to monitor and oversee the Enhanced Flexible Formulary. No changes to the Enhanced Flexible Formulary shall occur without notifying the Joint Committee in advance of the change(s).

(12) The JCHB will work with the State to develop a voluntary Value Based Insurance Design (VBID) Pilot Program with the goal of improving health outcomes while lowering overall costs through copayment waivers or reductions.

(a) The JCHB will work with the State to look at a copayment waiver program for office visits and prescription drugs when related to chronic conditions. Should the VBID Program prove successful, and be expanded to other disease states, the copayment reductions, or waivers, including copayments for prescription medications, will be evaluated for inclusion in any future VBID programs.

(13) The JCHB will work with the State to continue the voluntary Pilot Telemedicine Program. Effective January 1, 2023, the voluntary Telemedicine Program for medical and mental health visits will be a permanent offering to Empire Plan members at no cost-share.

(14) The JCHB will work with the State to explore the

implementation and oversight of a voluntary Healthy Back Program and Bariatric Surgery Management Program. Nutritionist coverage will be available when clinically appropriate.

(15) To ensure access needs are met, the JCHB and the State will regularly review the ongoing role of network health care providers and facilities that participate in the Empire Plan, including nurse practitioners and convenient care clinics (also referred to as “minute clinics” or “retail clinics”).

(16) The JCHB will work with the State to discuss the promotion and utilization of the Medical Program administrator’s national network of laboratories.

(17) The JCHB will work with the State to solicit a health risk assessment program and implement a voluntary, incentivized program as well as development of educational endeavors to influence healthy lifestyles. As soon as practicable, the JCHB will work with the State to review the current voluntary, incentivized programs available through the medical program administrator and the hospital program administrator.

(18) The JCHB will work with the State to explore the implementation and oversight of a voluntary Center of Excellence for spine and orthopedic surgeries.

(19) The JCHB will work with the State to explore the implementation and oversight of a voluntary telemedicine program for sleep disorders.

(4) In cooperation with the State, the Joint Committee on Health Benefits will review the implementation and ongoing

oversight of an Annual Health Insurance Enrollment Opt-out.

(5) The Joint Committee on Health Benefits will work with the State to study the feasibility of an inclusive statewide "carve-out" program for prescription drugs.

(6) The JCHB will work with the State and medical carrier to develop an enhanced network of urgent care facilities.

(7) The JCHB will work with the State to monitor the Medical Flexible Spending Account. The Medical Flexible Spending account will continue electronic submission and the direct debit vehicle shall remain a permanent offering, to the extent practicable and/or desirable by both parties.

(8) The JCHB shall study the feasibility of a two-person premium structure.

(9) The procurement process conducted by the Department of Civil Service regarding contractual services for the Empire Plan will include CSEA Joint Committee on Health Benefits involvement as follows:

- Review and comment on the draft RFP before it is released
- Attendance at the pre-bidder's conference
- Sufficient time for the Joint Committee to access and review the technical proposals prior to management interviews
- Participation in Management Interviews and Site visits
- Attendance at a formal cost proposal briefing
- Recommendation of a vendor

Due to the proprietary nature of the materials included in the cost proposals, the Joint Committee on Health Benefits will not have access to the actual cost proposal. The State reserves the right to make the final selection of a vendor after discussion with and consideration of CSEA's recommendation.

(10) The JCHB and the State will oversee and monitor a network of participating hearing aid providers.

(e) The Joint Committee shall work with appropriate State agencies to review and oversee the various health plans available to employees represented by CSEA.

(f) The Joint Committee on Health Benefits shall work with appropriate State agencies to monitor future employer and employee health plan cost adjustments.

(g) The Joint Committee shall be provided with each carrier

rate renewal request upon submission and be briefed in detail periodically on the status of the development of each rate renewal.

(i) The Joint Committee will be responsible for the annual review of participating providers. The Joint Committee shall investigate and where feasible, take appropriate action to recruit additional providers in geographic and specialty areas determined by the Committee to be deficient. The JCHB will work with the State on the implementation and ongoing oversight and monitoring of provider guaranteed access to reflect current geographic radius. There will be no change to the current GeoAccess unless jointly agreed to by CSEA and the State.

(j) The Joint Committee shall receive advance notice of agency health benefits administrator trainings for the purpose of attending and recommending agenda items.

(k) The Joint Committee shall study recurring subscriber complaints and make recommendations for the resolution of such complaints.

(l) The Joint Committee on Health Benefits shall meet within 14 days after a request to meet has been made by either side.

(m) The Joint Committee shall study and address other issues and concerns brought to the attention of the Committee that impact the accessibility, quality, and costs of health care for employees covered by this Agreement.

§9.32 Communications

Appropriate descriptive material relating to any changes in benefits shall be distributed to each State agency for internal distribution prior to the effective date of the change in benefit. The State shall take all steps necessary to provide revised health insurance booklets to every employee as soon as possible. The Joint Committee on Health Benefits shall provide review and counsel on the development of the revised booklets.

§9.33 Confidentiality

The confidentiality of individual subscriber claims shall not be violated. Except as required to conduct financial and claims processing audits of carriers and coordination of benefit provisions, specific individual claims data, reports or summaries shall not be released by

the carrier to any party without the written consent of the individual, insured employee or covered dependent.

Article 10

Attendance and Leave

§10.1 Additional Vacation Credit

(a) The State agrees to grant employees having 20 or more years of continuous State service, and who are entitled to earn and accumulate vacation credits, additional vacation credits as follows:

<u>Completed Years of Continuous Service</u>	<u>Additional Vacation Credit</u>
20 to 24	1 day
25 to 29	2 days
30 to 34	3 days
35 or more	4 days

(b) An eligible employee shall receive additional vacation credit on the date on which the employee would normally be credited with additional vacation in accordance with the above schedule and shall thereafter be eligible for additional vacation credit upon the completion of each additional 12 months of continuous State service. Continuous State service for the purposes of this section shall mean uninterrupted State service, in pay status, as an employee. A leave of absence without pay, or a resignation followed by reinstatement or reemployment in State service within one year following such resignation, shall not constitute an interruption of continuous State service for the purposes of this section; provided, however, that leave without pay for more than six months or a period of more than six months between resignation and reinstatement or reappointment, during which the employee is not in State service, shall not be counted in determining eligibility for additional vacation credits under this section.

(c) Nothing contained herein shall be construed to provide for the granting of additional vacation retroactively for periods of service prior to the effective date of this Agreement.

§10.2 Vacation Use

Vacation credits may be used in such units of time as the Division may approve, but the Division shall not require that vacation credits be used in units greater than one-quarter hour. This provision shall not supersede any local arrangements which provide for liquidation in smaller units of time.

§10.3 Vacation Credit Accumulation

(a) Vacation credits may be accumulated up to 40 days; provided, however, that in the event of death, retirement or separation from service, an employee compensated in cash for the accrued and unused accumulation may only be so compensated for a maximum of 30 days.

(b) An employee's vacation credit accumulation may exceed the maximum, provided however, that the employee's balance of vacation credits may not exceed 40 days on April 1 of any year, except that on April 1, 2012, only, an employee's balance of vacation credits may exceed 40 days but may not exceed 45 days.

§10.4 Vacation Scheduling

(a) Subject to the operating needs of the Division, request for vacation time off shall be granted for the periods desired by an employee to the extent practicable. An employee properly submitted written request for use of accrued vacation credit shall be answered in writing within five (5) working days of receipt. While management has full discretion to approve or deny an employee's request, a written reason for the denial shall be provided.

(b) In the event more employees request the same vacation time off than can be reasonably accommodated, vacation time off will be granted with priority to the most senior employee in the job title. To assist in the scheduling of such vacation time, offices and installations may establish an annual date or periods within which an employee must request vacation.

§10.5 Sick Leave Accumulation

Employees who are entitled to earn and accumulate sick leave credits may accumulate such credits up to a total of 225 days. Employees shall have the ability to use up to 200 days of such credits for retirement service credit and to pay for health insurance in retirement.

§10.6 Use of Sick Leave

(a) Employees shall be allowed to charge absences from work in the event of death or illness in the employee's immediate family against accrued sick leave credits up to a maximum of 30 days in any one calendar year.

(b) Requests for sick leave as bereavement leave or for family illness shall be subject to approval of the Division; such approval shall not be unreasonably withheld.

(c) Employee's absences from work which would normally be approved as sick leave and charged against sick leave credits may be charged against other credits if the employee has exhausted their sick leave accruals. Such use of other leave credits shall not be denied

routinely or unreasonably but may be denied in any case where the use of sick leave credits, if available, would be denied.

(d) Sick leave credits may be used in such units of time as the Division may approve, but the Division shall not require that sick leave credits be used in units greater than one-quarter hour.

(e) Disabled Veterans

Absences resulting from treatment of service-connected disabilities at a facility operated by the Veterans Administration shall represent an appropriate charge to sick leave credits and shall not be subject to review under absenteeism control programs.

§10.7 Use of Sick Leave at Half Pay

(a) The Division may grant sick leave at half-pay to permanent and temporary employees in accordance with the DMNA Regulation 690.1, and shall grant sick leave at half pay for personal illness to a permanent employee eligible for such leave and subject to the following conditions:

(1) The employee shall not have less than one cumulative year of State service.

(2) The employee's sick leave, vacation credit, overtime credits, compensatory credits and other accrued credits shall have been exhausted; the employee shall be deemed to have exhausted accrued credits, when the sum of the employee's remaining credits, in the aggregate, is less than the number of hours in the employee's normal workday; such credits as are remaining shall be retained by the employee.

(3) The cumulative total of all sick leave at half pay granted to any employee during their State service shall not exceed one payroll period for each completed six months of the employee's State service.

(4) An employee request for sick leave at half pay must be submitted on forms provided by the Division. If an employee is incapacitated and is unable to initiate a request, the employee's designee or appropriate supervisor may act in the employee's behalf.

(5)(a) Sick leave at half-pay shall be granted immediately following exhaustion of leave credits except to employees who have been formally disciplined for leave abuse within the preceding year.

(b) Employees who have been formally disciplined for leave abuse within the preceding year shall be granted sick leave at half pay following ten consecutive workdays of absence unless such waiting period is waived by the Division.

(c) For purposes of this subsection, an employee is deemed to have been formally disciplined for leave abuse if any of the following conditions occurred: a time and attendance notice of discipline was

settled within one year preceding the request for sick leave at one half pay, or the employee has been found guilty of the time and attendance charges served within one year preceding the request for sick leave at half pay or the employee did not contest the time and attendance notice of discipline served within one year preceding the request for sick leave at half pay. It does not include notices of discipline regarding issues other than time and attendance or those dismissed by an arbitrator or umpire or withdrawn by the Division.

(6) Satisfactory medical documentation shall be furnished and continue to be periodically furnished at the request of the Division; in the absence of satisfactory medical documentation, the Division may require an employee to be examined by a physician selected by the State at its expense; and

(7)(a) Such leave shall not extend a period of appointment or employment beyond such date as it would otherwise have terminated pursuant to law or have expired upon completion of a specified period of service.

(b) Nothing contained herein shall supersede the existing provisions of DMNA Regulation 690.1 dealing with the termination of employees due to absence because of personal illness, or physical or mental incapacity to perform the full duties of the position.

§10.8 Medical Certificates

(a) Medical certificates submitted by an employee are (1) confidential, (2) must be received by the immediate supervisor, (3) the information shall not be released to any unauthorized person.

Recognizing that there may be occasions when an employee desires that the content of a medical certificate be kept strictly confidential, the Division shall designate one person in a particular department or facility to receive the medical information and transmit the authorization for use of sick leave credits and/or anticipated date of return to duty back to the employee's immediate supervisor.

This procedure will not be routinely used by employees except in instances where extreme confidentiality concerns exist. Where the department/facility head determines that this privilege is being abused by an individual employee, the privilege may be discontinued for that employee at the Division's discretion.

(b) A doctor's certificate will not be routinely required for absences of three (3) days or less due to illness. When the Division determines that the employee shall be required to provide medical documentation solely as a result of review of the employee's attendance record, such requirement shall follow counseling, written notice to the employee, and

shall commence subsequent to such notice. The requirement placed on the employee shall be of reasonable duration, and the employee shall be advised of that duration when notified of the requirement.

§10.9 Personal Leave Accumulation

Employees shall be credited with five (5) days of personal leave per year in accordance with Military Regulation 690.1.

§10.10 Use of Personal Leave

(a) The State shall not require an employee to give a reason as a condition for approving the use of personal leave credits, provided, however, that prior approval for the requested leave must be obtained, that the resulting absence will not interfere with the proper conduct of governmental functions, and that an employee who has exhausted their personal leave credits shall charge approved absences from work necessitated by personal business or religious observance to accumulated vacation or overtime credits. Personal leave credits may be used in such units of time as the Division may approve, but the Division shall not require that personal leave credits be used in units greater than one-quarter hour. This provision shall not supersede any local arrangements which provide for liquidation in smaller units of time.

(b) Personal leave may be used in conjunction with or as an employee's vacation and shall be subject to the same conditions as govern vacation.

§10.11 Tardiness-Emergency Duties

The Division may excuse a reasonable amount of tardiness caused by direct emergency duties of duly authorized volunteer ambulance squad members, volunteer fire fighters and enrolled civil defense volunteers. In such cases, the Division may require the employee to submit satisfactory evidence that the lateness was due to such emergency duty.

§10.12 Accounting of Time Accruals and Hours Worked

(a) Employees who do not maintain their own leave accruals or for whom leave accruals are not immediately available shall be advised of such leave accruals at least every 28 days.

(b) Employees are required to keep daily time records showing actual hours worked on forms, or on an electronic or mechanical timekeeping system, to be provided by the State, subject to review and approval by the employee's supervisor.

§10.13 Absence-Extraordinary Circumstances

An employee who has reported for duty and, because of extraordinary circumstances beyond the employee's control is directed to leave work, shall not be required to charge such directed absence during such day to leave credits.

§10.14 Less Than Full-Time Employees

(a) Part-time employees covered by the New York State Attendance Rules who are compensated on an annual salary basis (including those designated as seasonal) and who are employed on a fixed schedule of at least half-time shall be eligible to earn and accumulate vacation and sick leave and be granted personal leave on a prorated basis based on their payroll percentage. Part-time annual salaried employees scheduled to work additional hours beyond their payroll percentage shall be eligible to earn and accumulate additional vacation and sick leave and be granted additional personal leave in accordance with the terms of Appendix XII, Leave Adjustment Program for Part-Time Annual Salaried Employees.

(b) Employees covered by the New York State Attendance Rules who are compensated on a per diem or hourly basis (including those designated as seasonal) and who are employed on a fixed schedule of at least half-time continuously for nine (9) months, without a break in service exceeding one full payroll period, shall be eligible for vacation, sick leave, and personal leave benefits on a prorated basis.

(c) Employees compensated on a per diem or hourly basis (including those designated as seasonal), who are employed at least half-time and who are expected by the appointing authority to be so employed continuously for nine months, without a break in service exceeding one full payroll period, shall be eligible to observe holidays and to earn and accumulate vacation and sick leave and be granted, personal leave on a prorated basis in the same manner and subject to the same limitations and restrictions as would apply if they were compensated on an annual salary basis.

(d) In the event a holiday falls on a Saturday and another day is not designated to be observed as the holiday, part-time annual salaried, hourly and per diem employees (including those designated as seasonal) eligible to observe holidays pursuant to Section 13.1 who are employed on a fixed schedule of at least half-time, and for whom Saturday is not a regular workday, but who are scheduled to work on the Friday immediately preceding such Saturday holiday, shall be granted holiday leave. The amount of holiday leave granted shall be equivalent to the number of hours the employee is regularly scheduled to work on that preceding Friday but not to exceed one-fifth (1/5) the number of hours in the normal workweek of full-time State employees.

(e) When, in accordance with the provisions of this Article, the State exercises its right to require an employee to be examined by a physician selected by the appointing authority, the employee shall be entitled to reimbursement for actual and necessary expenses incurred as a result of

travel in connection with such examination, including transportation costs, meals and lodging, in accordance with the Comptroller's rules and regulations pertaining to travel expenses.

§10.15 Verification of Physician's Statement

(a) When the State requires that an employee who has been absent due to illness or injury be medically examined by a physician selected by the appointing authority before such employee is allowed to return to work, the appointing authority shall make a reasonable effort to complete a medical examination within 20 working days as hereinafter provided.

(b) If, no more than 10 working days prior to the date specified by the employee's own physician as the date upon which the employee may return to work, the employee provides the appointing authority with their physician's statement indicating that the employee is able to return to work and specifying the date, the appointing authority shall have a total of 20 working days from the date of such advance notice, which shall include the 10 working days following the specified return-to-work date, to complete a medical examination. For each working day of advance notice from the employee less than 10, the appointing authority shall have an additional working day beyond the return-to-work date to complete a medical examination.

(c) If, upon the completion of the 20-working day period provided for in section 10.15(b), the appointing authority's physician has not completed an examination of the employee or reached a decision concerning the employee's return to work, the employee shall be placed on leave with pay without charge to leave credits until the examination is completed and a decision is made. The employee may not return to work, however, until the employee has been examined by the appointing authority's physician and given approval to work. The leave with pay provision of this section shall not apply where the failure of the appointing authority's physician to complete the medical examination is attributable to the employee's failure to appear for the examination or the employee's refusal to allow it to be held.

(d) If, following the employee's examination, the appointing authority's physician does not approve the employee's return to work, the employee shall be placed in the appropriate leave status in accordance with the Attendance Rules. Once a determination has been made that an employee may not return to work, further examinations pursuant to this Article shall not be required more often than once a month; provided, however, where the appointing authority's physician has specified a date for a further examination or a date when the employee may return to work the State shall not be required to conduct an examination prior to

that date. Where the appointing authority's physician has not set either a date for further examination or a date upon which the employee may return to work, the employee may submit a further statement from the employee's physician and the provisions of this Article shall again be applicable. The provisions of this Article shall not be construed to limit or otherwise affect the applicability of Section 73 of the Civil Service Law.

§10.16 Hold on Shift, Pass Day, and Work Location Assignment

In the event that an employee is authorized to be absent due to an on-the-job injury, or is placed on authorized leave for maternity purposes, or leave for extended illness including sick leave at half pay, the employee's shift, pass day and work location assignment, as applicable, shall be held for three months. However, such hold shall not apply where rebidding occurs while leave is in effect or where the employee's shift, pass day or work location assignment would have otherwise terminated, e.g., change in seasonal shift, facility or building closes, etc.

§10.17 Voluntary Reduction in Work Schedule

There shall be a Voluntary Reduction in Work Schedule program, as described in the Program Guidelines reproduced in Appendix XI. Disputes arising from the denial of VRWS requests shall be reviewed only in accordance with the procedures established in Paragraph 12 of the Guidelines, and not under Article 34. Other disputes arising in connection with this provision shall be subject to review through the procedure established in Article 34, Section 34.1 of this Agreement.

However, where the child is required to remain in the hospital following birth, the seven-month mandatory childcare leave shall, upon employee request, commence when the child is released from the hospital. If a child is required to be admitted to a hospital for treatment after childcare leave has commenced, upon employee request, childcare leave shall be suspended during a single continuous period of such hospitalization and that period shall not count toward calculation of the seven-month period. In such cases, any entitlement to mandatory childcare leave expires one year from the date of birth of the child.

(b) In cases of legal adoption under Article 7 of the Domestic Relations Law, leave for child-rearing purposes shall be granted as provided in the Attendance Rules and the guidelines for administration of those rules, dated March 11, 1982, which are contained in Appendix III of this Agreement. However, if a child is required to be admitted to a hospital for treatment after childcare leave has commenced, upon employee request, childcare leave shall be suspended during a single continuous period of such hospitalization and that period shall not count toward calculation of the seven-month period. In such cases, any entitlement to mandatory childcare leave expires one year from the date the childcare leave originally commenced.

§10.20 Leave for Licensure/Certification

At the sole discretion of the appointing authority, an employee in a position which requires certification or a professional license (excluding a "Class D" driver's license) as a minimum qualification, may be allowed up to three (3) days leave per contract year, subject to the prior approval of the appointing authority, without charge to leave credits to attend a program or programs which are verified as required for the employee to maintain such license or certification for the employee's position with the State.

Such leave shall not be cumulative and, if not used, will be canceled at the end of each year of the Agreement. Unused leave in this category shall not be liquidated in cash at any time. This provision shall not be subject to the grievance procedure.

Supplemental payments will be paid to employees whose disability is classified by the evaluating physician as "total" or "marked" and where a Workers' Compensation Law wage payment is less than 60 percent of pre-disability wages, so that the total of the statutory payment and the supplemental payment provided by this Article equals 60 percent of their pre-disability gross wages. The pre-disability gross wages are defined as the sum of base annual salary, location pay, geographic differential, shift differential and inconvenience pay, received as of the date of the disability.

(c) An employee necessarily absents for less than a full day in connection with a workers' compensation injury as defined in 11.1(b) due to therapy, a doctor's appointment, or other required continuing treatment, may charge accrued leave for said absences.

§11.3 An employee required to serve a waiting period pursuant to the Workers' Compensation Law shall have the option of using accrued leave credits or being placed on leave without pay. Where an employee charged credits and it is subsequently determined that no waiting period is required, the employee shall be entitled to restoration of credits charged proportional to the net monetary award credited to New York State by the Workers' Compensation Board.

§11.4 When vacation credits are restored pursuant to this Article and such restoration causes the total vacation credits to exceed 40 days, a period of one year from the date of the return of the credits or the date of return to work, whichever is later, is allowed to reduce the total accumulation to 40 days.

§11.5 (a) An employee receiving Workers' Compensation payments for a period of disability found compensable by the Workers' Compensation Board shall be treated as though on the payroll for the length of the disability not to exceed twelve (12) months per injury for the sole purposes of accruing seniority, continuous service, health insurance and Employee Benefit Fund contributions normally made by the State, accrual of vacation and sick leave, and personal leave. Additionally, such employee shall be treated as though on payroll for the period of disability not to exceed twelve (12) months per injury for the

(b) Additionally, an employee receiving Workers' Compensation payments for a period of disability found compensable by the Workers' Compensation Board, which is caused by an assault, shall be treated as though on the payroll for the length of the disability not to exceed twenty-four (24) months per injury for the sole purpose of health insurance and Employee Benefit Fund contributions normally made by the State.

(c) Effective April 1, 2019, an employee who is terminated as a result of being found permanently disabled by the State Insurance Fund or pursuant to Civil Service Law Section 71 shall be compensated for all accrued and unused annual leave.

§11.6 (a) Where an employee's Workers' Compensation claim is controverted by the State Insurance Fund upon the ground that the disability did not arise out of or in the course of employment, the employee may utilize leave credits (including sick leave at half pay) pending a determination by the Workers' Compensation Board.

(b) If the employee's controverted or contested claim is decided in the employee's favor, any leave credits charged (and sick leave at half pay eligibility) shall be restored proportional to the net monetary award credited to New York State by the Workers' Compensation Board.

(c) If the employee was in leave without pay status pending determination of a controverted or contested claim, and the claim is decided in the employee's favor, the employee shall receive the benefits in Paragraph 11.5.

(d) Where a claim for Workers' Compensation is controverted or contested by the State Insurance Fund, the parties will abide by the determination of the Workers' Compensation Board.

§11.7 (a) If the date of the disabling incident is prior to April 1, 1986, the benefits available shall be as provided in the 1982-85 State/CSEA Agreement.

(c) If the date of the disabling incident is on or after July 1, 1992, and prior to July 1, 2004, the benefits available shall be as provided in the 1999-2003 State/CSEA Agreement.

(d) If the date of the disabling incident is on or after July 1, 2004, and prior to July 1, 2008, the benefits available shall be as provided in the 2003-2007 State/CSEA Agreement.

The basic tenets of the Mandatory Alternate Duty Policy shall include, but not be limited to, the following:

(2) Mandatory alternate duty assignments shall be based upon medical documentation satisfactory to management. Such satisfactory documentation must include a prognosis of a return to the full duties of the injured worker's original job within 60 calendar days from the date upon which the alternate duty assignment begins. Time limits, consistent with or similar to those contained in Article of the Division of Military and Naval Affairs Unit Agreement or as developed jointly by the parties, will be utilized for those situations when the State requires that an employee be medically examined. Medical documentation shall not be reviewable under Article 34 of the Agreement.

(3) Management shall have the authority to make mandatory alternate duty assignments to tasks that can be performed by the employee not necessarily within their original job duties, title series, work schedule, work location or workweek.

(4) Mandatory alternate duty assignments shall be for a period up to 60 calendar days per injury. Such assignment may be extended at management's discretion not to exceed the term of the disability.

(5) When an employee's mandatory alternate duty assignment expires or is terminated, such employee shall either be returned to full duty status or returned to being covered by the provisions of the Workers' Compensation statute.

(6) If the above conditions are met and if management is not able to provide the eligible employee with such alternate duty assignment, that employee's compensation shall be adjusted to equal the employee's "100 percent disabled" statutory benefit for the period the employee qualified for an alternate duty assignment based on medical documentation, described in 11.8(a)(2) above, for up to 60 calendar days.

§27.2 Subject to the operating needs of the Division, shift selection shall be made by seniority.

§27.3 The Division agrees to provide CSEA a list of its employees by facility and division seniority and to update it semi-annually.

§27.4 Nothing contained in 27.2 above of this Article shall prevent mutually agreed to local arrangements regarding the method that shifts are to be selected.

Article 28

Posting and Job Vacancies

§28.1 The Division shall establish and maintain procedures for distributing or posting announcements of permanent and temporary vacancies at least 15 calendar days prior to the date they are to be filled. Announcements of such vacancies shall contain the title of the position or positions to be filled, minimum qualifications required for appointment, and the number and work location of the vacancies. A copy of all announcements for permanent or temporary vacancies issued by the Division shall be forwarded to the CSEA Division Local Presidents and CSEA Headquarters.

§28.2 When such vacancies are announced as provided herein, employees who wish to be considered for appointment to such vacancies shall be allowed to file appropriate notice thereof with the Division provided, however, that such notice must be filed within 15 calendar days following the announcement of the vacancy.

An employee shall include in such application their date of initial appointment to Division service which, for purposes of this Article, shall serve as their seniority date. Employees who apply and meet the minimum qualifications required for appointment shall be interviewed. Employees who are interviewed but not selected shall be notified in writing as soon as possible. In addition, upon request, such employee shall be entitled to a meeting to discuss the reasons for non-selection.

§28.4 Appointments to vacant positions shall be made among the top three most senior employees bidding pursuant to Section 28.1, provided the candidate meets the posting qualifications required, meets the legitimate operating needs of the Division, and has the ability to perform duties and responsibilities satisfactorily. The requirement to prove qualification shall rest with the employee.

\$60,001 \$70,000	\$400
Over \$70,000	\$300

In subsequent years, the employer contribution may be increased or reduced so as to fully expend available funds for this purpose, while maintaining salary sensitive differentials. In the event available funds are not fully expended for this purpose, the residual funds shall be made available to benefit CSEA members as mutually determined by the Director of OER and the President of CSEA or their designees. In no event shall the aggregate employer contribution exceed the amounts provided for this purpose.

§29.3 In the interest of providing greater availability of dependent care and other services to CSEA represented employees and maximizing

resources available, the Work-Life Services Program may support additional initiatives as recommended by the Advisory Board.

§29.4 Network Child Care Assistance Program

§29.6 A joint labor/management advisory board, which recognizes the need for combined representation of all employee negotiating units and the State, will monitor and evaluate the Work-Life Services Programs.

Article 30

Benefits Guaranteed

With respect to matters not covered by this Agreement, the State will not seek to diminish or impair during the term of this Agreement any benefit or privilege provided by law, rule or regulation for employees without prior notice to CSEA; and, when appropriate, without negotiations with CSEA; provided, however, that this Agreement shall be construed consistently with the free exercise of rights reserved to the State by the Management Rights Article of this Agreement.

Article 31

Accidental Death Benefit

§31.1 In the event an employee dies subsequent to April 1, 1985, as a result of an accidental on-the-job injury and a death benefit is paid pursuant to the Workers' Compensation Law, the State shall pay a death benefit in the amount of \$50,000 to the employee's surviving spouse and children in the same proportion as the Workers' Compensation Accidental Death Benefit is paid, unless such employee or his family exercises their right to receive such benefit provided by the Federal Public Safety Officers Benefits Act (USC 3796, et seq.). However, in the

event that the employee is not survived by the spouse or children, then the State shall pay this death benefit to the employee's estate.

§31.2 The William L. McGowan Dependent Children's Tuition Program

The State agrees to continue to provide the program for dependent children of employees of the four CSEA negotiating units, who receive a death benefit pursuant to §31.1 above, with full tuition to attend any of the State University's colleges; provided, however, they meet the institutions entrance requirement. In addition, eligible dependent children, pursuant to §31.1 above, who meet the institution's entrance requirements and choose to enroll in an accredited private college or university within New York State, shall receive a payment from the State, equal to the corresponding semester's tuition cost at the State University of New York, for each semester they are enrolled and are in attendance at such private college or university.

Article 32

Workday/Workweek

§32.1 (a) The normal workweek of full-time employees, except in the case of shift operations, shall consist of five consecutive working days, Monday through Friday, with two consecutive days off. The normal workday shall commence between 6:00 a.m. and 10:00 a.m.

(b) In the case of shift operations, subject to the operating needs of the Division, normal starting times of shifts shall commence between the following hours: day shift 6:00 a.m. to 8:00 a.m.; evening shift 2:00 p.m. to 4:00 p.m.; night shift 10:00 p.m. to 12:00 midnight.

(1) A temporary deviation in the established shift starting time, of four (4) hours or less to meet an operating need of the Division, shall not constitute a shift change as specified in Article 19.3, Shift Changes.

(2) Permanent changes to established shift starting times including movement within the time frames established in (b) above, may be made by the Division, with the approval of the employee(s). Failing such approval, the Division shall consult with CSEA prior to the change. Employees affected by the change, except in emergencies, shall be provided with a minimum of 30 days written notice prior to the effective date of the change.

(3) Subject to the operating needs of the Division, the normal workweek of full-time employees assigned to shifts shall consist of five consecutive working days followed by two consecutive days off.

(c) There shall be a continuation of the 37 1/2 or 40-hour workweek as is currently in effect for employees subject to (a) and (b) above.

§32.2 The lunch period of Division employees shall not be extended for the purpose of increasing the working time of such employees.

§32.3 A shift employee who is granted leave for jury duty shall have their shift changed, to the extent practicable, to the normal day shift for the duration of jury duty. Such shift change shall not occur more frequently than once every two years.

Article 33

Discipline

§33.1 (a) Eligibility

The following disciplinary procedure for incompetency or misconduct shall apply to all employees as provided herein in lieu of the procedure specified in the Civil Service Law Sections 75 and 76. This entire disciplinary procedure shall apply to all persons currently subject to Sections 75 and 76 of the Civil Service Law and, in addition, shall apply to any permanent non-competitive class employees described in Section 75(1)(c) and to permanent labor class employees who, since last entry into State service, have completed at least one year continuous service in the State classified service, except that approved leaves of absence or reinstatement within one year of resignation shall not constitute an interruption of such service. The disciplinary procedure provided herein is not applicable to review the removal of an employee from a probationary appointment.

§33.1 (b) Definitions

As used in this Article, “days” shall mean calendar days.

“Service” shall be complete upon personal delivery or, if by registered or certified mail, return receipt requested and concurrent first-class mailing, it shall be complete 10 business days from mailing if the concurrent first-class mailing is not returned to the appointing authority.

As used in this Article, “appointing authority” shall include the agency that currently employs an employee of this unit and any agency where such employee was formerly employed.

§33.2 Employee Rights

(a) Representation

(1) An employee shall be entitled to representation by CSEA at each step of the disciplinary procedure, or by private counsel selected at their own expense.

(2) CSEA representation may include both a grievance representative and the CSEA Local President or, where the Local President is absent from work, their designee, and a CSEA staff

representative; however, the absence of the two additional representatives shall not unreasonably delay an interrogation and/or the request to sign a statement made pursuant to this section.

(b) Interrogation

(1) The term “interrogation” shall be defined to mean the questioning of an employee who, at the time of such questioning appears to be a likely or potential target or subject for disciplinary action.

(2) If an employee is improperly subjected to an interrogation in violation of the provisions of this subdivision, an arbitrator appointed pursuant to this Article shall have the authority to exclude information obtained thereby or other evidence derived solely through such interrogation. The State shall have the burden of proof to show that, upon the preponderance of the evidence, such evidence sought to be introduced was not derived solely by reason of such interrogation and was obtained independently from the statements or evidence so provided by the employee.

(3) No employee shall be required to submit to an interrogation by a department or agency (a) if the information sought is for use against such employee in a disciplinary proceeding pursuant to this Article, or (b) after a notice of discipline has been served on such employee, or (c) after the employee’s resignation has been requested pursuant to Article 35, unless such employee is notified in advance of the interrogation that they have the right to have CSEA representation, as defined in Section 33.2(a)(2) Representation or private counsel provided at their own expense present or to decline such representation and that, if such representation is requested, a reasonable period of time will be afforded for that purpose. If the employee requests representation and the CSEA or employee fails to provide such representation within a reasonable time, the interrogation may proceed. An arbitrator under this Article shall have the power to find that a delay in providing such representation may have been unreasonable.

(c) Recording Devices/Transcripts

No recording devices or stenographic or other record shall be used during an interrogation unless the employee (1) is advised in advance that a transcript is being made, and (2) is offered the right to have CSEA representation, as defined in Section 33.2(a)(2) Representation or private counsel provided at their own expense present. Unless the employee declines such representation, they will be given a reasonable period of time to obtain representation. If the employee requests representation and the CSEA or employee fails to

provide such representation within a reasonable time, the interrogation and taking of a record thereof may proceed. An arbitrator under this Article shall have the power to find that a delay in providing such representation may have been unreasonable. A copy of any stenographic record (verbatim transcript) and/or recording made pursuant to this provision shall be supplied to the employee.

(d) Signed Statement

(1) No employee shall be requested to sign any statement regarding their incompetency or misconduct unless the employee is offered the right to have CSEA representation, as defined in Section 33.2(a)(2) Representation or private counsel provided at their own expense present.

(2) Unless the employee declines such representation, they will be given a reasonable period of time to obtain such representation. If the employee requests representation and CSEA or the employee fails to provide such representation within a reasonable time, the employee may be requested to sign such a statement. An arbitrator under this Article shall have the power to find that a delay in providing such representation may have been unreasonable. The statement shall be submitted to the employee within a reasonable time after the interrogation. A copy of the statement shall be supplied to the employee at the time the employee is requested to sign the statement. Prior to signing the statement, the employee may make such modifications or deletions in such statement that the employee deems necessary. Any statements or admissions signed by them without having been so supplied to them may not subsequently be used in any disciplinary proceeding.

(e) Burden of Proof

In all disciplinary proceedings, the employee shall be presumed innocent until proven guilty and the burden of proof on all matters shall rest upon the employer. Such burden of proof, even in serious matters which might constitute a crime, shall be preponderance of the evidence on the record and shall in no case be proof beyond a reasonable doubt.

(f) Coercion/Intimidation

An employee shall not be coerced, intimidated, or caused to suffer any reprisals, either directly or indirectly, that may adversely affect their hours, wages or working conditions as the result of the exercise of their rights under this Article.

§33.3 Disciplinary Procedure

(a) Notice of Discipline

(1) Where the appointing authority or the appointing authority's

designee seeks the imposition of a written reprimand, suspension without pay, a fine not to exceed two weeks' pay, loss of accrued leave credits, reduction in grade, or dismissal from service, notice of such discipline shall be made in writing and served upon the employee. Discipline shall be imposed only for incompetency or misconduct. The specific acts for which discipline is being imposed and the penalty proposed shall be specified in the notice. The notice of discipline shall contain a detailed description of the alleged acts and conduct including reference to dates, times, and places.

(2) If the arbitrator appointed pursuant to this Article finds, upon motion before the commencement of the arbitration, that the notice does not sufficiently apprise the employee of the acts or conduct for which discipline is being imposed, they may require that, where the employer has either refused to provide such specificity where the information sought was available or the charges are so vague and indefinite that the employee cannot reasonably respond, the State provide more specificity within thirty (30) days of the ruling. The arbitrator shall proceed immediately with the arbitration hearing on those charges in the notice of discipline where no specificity is required. If the State does not provide such specificity as required by the arbitrator within thirty (30) days, the arbitrator shall dismiss those non-specific charges only, with prejudice, and resolve the remaining charges, if any, contained in the notice. In order for such a motion to be made at the hearing, the employee or their representative must have made a request of the employer before the hearing to provide such specificity of the notice and the employer must have failed to do so.

(3) Two copies of the notice shall be served on the employee. Service of the notice of discipline shall be made by personal service, if possible. If service cannot be effectuated by personal service, it shall be made by registered or certified mail, return receipt requested and concurrent first-class mailing.

(4) The Arbitration Administrator of CSEA and the CSEA Local President shall be immediately advised by email, where available, and by regular first-class mail, of the name and work site of an employee on whom a notice of discipline has been personally served.

(5) The notice of discipline served on the employee shall be accompanied by a written statement that:

- the employee has a right to object by filing a grievance within twenty-one (21) days;
- the grievance procedure provides for a hearing by an independent arbitrator as its final step;

- the employee is entitled to representation by CSEA at every step of the proceeding, or by private counsel selected at their own expense;
- if a grievance is filed, no penalty can be implemented until the matter is settled or the arbitrator renders a determination.
- a copy of this Article shall be supplied.

(6) In the case of an employee who speaks only Spanish, this written statement shall also be given in a Spanish translation.

(7) If an employee is not able to personally sign and file a disciplinary grievance, CSEA may, at the employee's request, submit such grievance on the employee's behalf. Provided, however, that within twenty-one (21) days of submission, the employee in question must appear to sign the grievance form or CSEA must produce documentation supporting any reason as to why the employee could not appear. Should neither of these actions occur, the grievance shall be deemed void after twenty-one (21) days.

(b) Statute of Limitations

(1) An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than one (1) year prior to the notice of discipline.

(2) In those cases where such acts are alleged to constitute a crime, a notice of discipline must be served no later than the period set forth for the commencement of a criminal proceeding against a public employee in the Criminal Procedure Law of the State of New York.

(c) Service of Notice of Discipline

(1) A notice of discipline shall be served in accordance with this section no later than fourteen (14) days following any suspension without pay or temporary reassignment.

(2) The appointing authority or their designee, at their discretion, may suspend without pay or temporarily reassign an employee charged with the commission of a crime. Within thirty (30) calendar days following a suspension, a notice of discipline shall be served on such employee, or such employee shall be reinstated with back pay. Where the employee, who is charged with the commission of a crime, is temporarily reassigned, the notice of discipline shall be served on such employee within fourteen (14) days after the disposition of the criminal charges as provided in the Criminal Procedure Law of the State of New York or the employee shall be returned to their regular assignment. Nothing in this paragraph shall limit the right of the appointing authority or their designee from taking disciplinary action while criminal proceedings are pending. Nothing in this paragraph shall

preclude the application of the provisions in Article 33.3(h) sections 9 thru 11.

(d) Penalty

(1) The penalty proposed by the appointing authority or the appointing authority's designee may not be implemented until (a) the employee fails to file a grievance within twenty-one (21) calendar days of the service of the notice of discipline, or (b) having filed a grievance, the employee elects not to pursue it, or (c) the penalty is upheld by the disciplinary arbitrator or a different penalty is determined by the arbitrator to be appropriate, or (d) the matter is settled.

(2) At any time during the disciplinary procedure after a timely grievance has been filed, the employee may elect in writing to the appointing authority or their designee, the agency or department head or their designee, or the Panel Administrator that they elect not to pursue the grievance. In such event, the proposed penalty may be implemented.

(e) Grievance

(1) If not settled or otherwise resolved, the notice of discipline may be the subject of a grievance before the department or agency head and shall be filed either in person or by email where available or by first-class mail, by the employee or CSEA with the Disciplinary Panel Administration and the agency or department head or their designee within twenty-one (21) calendar days of service of the notice of discipline.

(2) The timely filing of such a grievance shall constitute a demand for arbitration unless the grievance is settled or the employee elects not to pursue it.

(3) The filing of such a grievance shall be complete on (a) the date on which it is personally delivered or emailed or, (b) the date of mailing by first-class mail. The date of first-class mailing shall be the date the stamp is cancelled on the mailing envelope. No other documentation or evidence of the date of such mailing will be acceptable.

(f) Expedited Resolution

(1) If a notice of discipline has been grieved by the employee or CSEA pursuant to Section 33.3(e), the employee must utilize the Expedited Resolution procedure in this section unless the employee has elected to be represented by private counsel. An employee represented by private counsel shall utilize the Disciplinary Arbitration process set forth in Article 33.4.

(2) During the Expedited Resolution process, the employee shall

be represented by CSEA, and the State shall be represented by the agency or a designee thereof. Each party may have a maximum of two (2) representatives present at any Expedited Resolution meeting or expedited arbitration, exclusive of the employee.

(3) The Expedited Resolution procedure shall commence with a mandatory meeting to be conducted by an arbitrator. Arbitrators will be jointly selected by CSEA and the State for each of CSEA's six (6) regions to conduct all such meetings and, if necessary, all subsequent one (1) day expedited arbitrations. All fees and expenses for the arbitrators will be divided equally between CSEA and the State. CSEA and the State will determine the number of Expedited Resolution meeting days per month, which will be detailed in the arbitrator's contract. Additional Expedited Resolution meeting days may be scheduled as needed. Except in unusual circumstances, a maximum of six (6) cases will be scheduled for each Expedited Resolution meeting day. The Panel Administrator will schedule all cases and issue notifications regarding the Expedited Resolution meetings, including the date, time, and location.

(4) The parties shall provide copies of all relevant documents to the opposing party at least two weeks prior to the Expedited Resolution meeting. At that meeting, all efforts will be made to reach a satisfactory resolution of the matter. The arbitrator will serve as a mediator to facilitate a discussion of the issue(s) and the pursuit of an acceptable resolution. If necessary, the arbitrator may choose to hear testimony and review formal evidence.

(5) The arbitrator shall have the right to decide, in order to facilitate resolution of the matter and based on the information presented by the parties at the Expedited Resolution meeting, whether there needs to be a second settlement meeting to review additional information or documentation, or to hear from additional witnesses. Before the initial meeting is concluded, the parties shall agree as to whether the matter will be scheduled for a second meeting.

(6) In those cases where the appointing authority is not seeking the employee's termination, if the matter is not settled at the Expedited Resolution meeting and the arbitrator believes that no additional information, documentation, or witness testimony is necessary, the arbitrator shall issue a short, written decision and award no later than seven (7) calendar days following the meeting.

(7) If the matter still cannot be settled or decided by the arbitrator without either additional evidence or testimony, the arbitrator may conduct a one (1) day expedited arbitration hearing. Before the

Expedited Resolution settlement meeting is concluded, the parties and the arbitrator shall agree on the issue and the witnesses to be presented at the expedited arbitration. After the conclusion of the expedited arbitration, the arbitrator shall issue a short, written decision and award within fourteen (14) calendar days.

(8) In those cases where the appointing authority is seeking the employee's termination and the matter is not settled at the Expedited Resolution meeting, the employee may request a one (1) day expedited arbitration hearing to be held before the same arbitrator or, in the alternative, the employee may request arbitration pursuant to Section 33.4 - Disciplinary Arbitration and the arbitrator shall so inform the Panel Administrator, who shall schedule the case for arbitration pursuant to Section 33.4. If the employee is also suspended or temporarily reassigned pursuant to Article 33.3(j), the Panel Administrator shall give the case priority in assignment and shall forthwith set the matter down for hearing.

(9) Should the arbitrator believe that a disciplinary matter cannot be presented at an expedited arbitration within one (1) day, the arbitrator shall have the authority to refer the case back to the Panel Administrator for arbitration pursuant to Section 33.4.

(10) Adjournments of cases under the Expedited Resolution process can only be granted by OER and CSEA headquarters. This includes cases where the grievant or management doesn't appear for its scheduled hearing.

(g) Withdrawal/Amendment

The agency or department head or their designee has full authority, at any time before or after the notice of discipline is served by an appointing authority or their designee, to review such notice and the proposed penalty and to take such action as they deem appropriate under the circumstances in accordance with this Article including, but not limited to, determining whether a notice should be issued, amendment of the notice no later than 15 days prior to first Expedited Resolution Meeting or 15 days prior to the disciplinary arbitration hearing provided for in Section 33.4 – **Disciplinary Arbitration** – of this Article withdrawal of the notice or a reduction in the proposed penalty. Amendment of the notice after 15 days prior to the first Expedited Resolution meeting or after 15 days prior to the disciplinary arbitration hearing provided for in Section 33.4, or withdrawal of the notice, are subject to the following:

- where amended, the employee is entitled to an adjournment

where requested by the employee, or their representative.

- in the instance where an employee is suspended without pay or temporarily reassigned pursuant to Section 33.3(j)(1) - **Suspension Without Pay** - the withdrawal of a notice of discipline shall cause the employee to be retroactively reinstated with back pay, if suspended, or returned to their original assignment, if temporarily reassigned, upon such withdrawal. The amendment of the notice of discipline in such instances shall end such suspension or temporary reassignment as of the date of such amendment. However, the disciplinary arbitrator shall determine whether there was a probable cause for suspension in accordance with Section 33.3(h)(1) - **Suspension Without Pay** - and, where in issue whether the amendment is, in fact, a withdrawal of the initial notice of discipline and entitled to be treated as such pursuant to this section.
- in all instances where an employee is suspended without pay or temporarily reassigned pursuant to Sections 33.3(j) - **Suspension Without Pay or Temporary Reassignment** - and the notice of discipline is amended or withdrawn pursuant to this provision, such an employee may not be again suspended or temporarily reassigned solely upon those same facts alleged to constitute incompetency or misconduct in the notice of discipline which has been withdrawn or amended.
- where a notice of discipline is withdrawn pursuant to this section, said notice must be reinstated pursuant to Section 33.3(a) - **Notice of Discipline** - no later than thirty (30) days from the time of the withdrawal of the notice of discipline or such withdrawal will be with prejudice to the reinstatement of the notice of discipline.
- in those instances where there is an amendment of the notice of discipline after 15 days prior to the first Expedited Resolution meeting, or 15 days prior to the disciplinary arbitration hearing provided for in Section 33.4, or a withdrawal of the notice of discipline and an arbitrator has been appointed pursuant to Section 33.4(b)(1) - **Disciplinary Arbitrators**, any hearing on the amended or reinstated charges shall be held before the arbitrator initially appointed unless that arbitrator is not available within a reasonable time

and the parties jointly agree to the selection of a new arbitrator pursuant to Section 33.4(b)(1) - **Disciplinary Arbitrators.**

(h) Suspension Without Pay or Temporary Reassignment

(1) Prior to exhaustion or institution by an employee of the grievance procedure applicable to discipline, an employee may be suspended without pay or temporarily reassigned only if the appointing authority determines that there is probable cause to believe that the employee's continued presence on the job represents a potential danger to persons or property or would severely interfere with operations. Such determination shall be reviewable by the arbitrator in accordance with this section to determine whether the appointing authority had probable cause. The Arbitration Administrator of CSEA and the CSEA Local President shall be notified in writing by email or first-class mail, within four (4) calendar days of any such suspension.

(2) Where the employee has been suspended without pay or temporarily reassigned, the Panel Administrator shall give the case priority in assignment and shall forthwith set the matter down for hearing.

(3) In the event of a failure to serve a notice of discipline within the time established in Section 33.3 (c) – **Service of Notice of Discipline**, the employee shall be deemed to have been suspended without pay as of the date of service of the notice of discipline or, in the event of a temporary reassignment, may return to their actual assignment until such notice is served. In the event of failure to notify the Arbitration Administrator of CSEA of the suspension within four (4) calendar days, the employee shall be deemed to have been suspended without pay as of the date the notice is sent to the Arbitration Administrator of CSEA.

(4) In the case of any suspension without pay, the employee may be allowed to draw from accrued annual or personal leave credits, holiday leave or compensatory leave which shall be reinstated in the event that, in accordance with this Article, the suspension is deemed improper, or the employee is found innocent of all allegations contained in the notice of discipline. The use of such credits shall be at the option of the employee. Such use of leave credits during suspension will not be available if the employee is offered a reassignment and declines.

(5) When an employee is suspended without pay or temporarily reassigned pursuant to this section, the disciplinary arbitrator shall, upon the request of the employee at the close of the State's case, issue an interim decision and award with respect to the issue of whether there

was probable cause for the suspension without pay or the temporary reassignment. Should the arbitrator find in the interim decision that probable cause did exist, the arbitrator is not precluded from reconsidering the issue of probable cause after the hearing is closed.

(6) In those cases which involve a suspension without pay pursuant to this section, when the disciplinary arbitrator finds the employee innocent of all allegations contained in the notice of discipline and also finds probable cause for such suspension, they shall reinstate the employee with back pay for all of the period of the suspension without pay.

(7) In the event an employee is found innocent of all allegations contained in the notice of discipline as a result of a disciplinary proceeding, they must be reinstated to the exact shift, work location and pass days that the employee possessed prior to the institution of the disciplinary charges against said employee and prior to any temporary reassignment imposed pursuant to this Article. In all instances where a disciplinary arbitrator reinstates an employee who is found innocent of all allegations contained in the notice of discipline, and the appointing authority later seeks to change the shift, work location, or pass days of said employee, the appointing authority must notify the employee in writing of the reason therefore without prejudice. Such action by the appointing authority shall be grievable under the Article 34 contract grievance procedure, and all such grievances shall be commenced at Step 3 of said contractual grievance procedure.

(8) During a period of suspension without pay pursuant to the provisions of Article 33.3(h)(1) or 33.3(c)(2), the State shall continue to pay its share of the cost of the employee's health coverage under Article 9 which was in effect on the day prior to the suspension provided that the suspended employee pays their share. Also, any employee suspended pursuant to the provisions of Article 33.3(h)(1) or 33.3(c)(2) shall be counted for the purpose of calculating the amount of any periodic deposit to the Employee Benefit Fund.

(9) Where the appointing authority informs an employee that they are being temporarily reassigned pursuant to this Article, and prior to exhaustion or institution of the disciplinary grievance procedure, the employee shall be notified in writing of the location of such temporary reassignment and that the employee may elect in writing to refuse such temporary reassignment and be suspended without pay. Such election must be made in writing before the commencement of the temporary reassignment. An election by the employee to be placed on a suspension without pay is final and may not thereafter be withdrawn.

Once the employee commences the temporary reassignment, no election is permitted.

(10) Temporary reassignments under this section shall not involve a change in the employee's rate of pay. The provisions of Article 24, Out-of-Title Work, shall not apply to temporary reassignments under this section.

(11) The fact that the State has temporarily reassigned an employee rather than suspending them without pay or the election by an employee to be suspended without pay rather than be temporarily reassigned shall not be considered by the disciplinary arbitrator for any purpose.

§33.4 Disciplinary Arbitration

(a) Purpose

(1) The purpose of this Section is to provide for final and binding arbitration in cases where the State has served a notice of discipline upon an employee seeking the employee's termination and: a) the employee has elected to proceed under this section; b) where the arbitrator in the Expedited Resolution process has remanded the matter to this section because the matter cannot be heard within one (1) day; or c) where the employee has elected to be represented by private legal counsel. This Section shall not apply to Section 33.5 - Time and Attendance Disciplinary Grievances.

(2) In matters under this Section, the fact that the employee's grievance was initially discussed in the Expedited Resolution meeting shall not preclude the employee from electing to proceed to arbitration pursuant to this section.

(b) Disciplinary Arbitrators

(1) The State and CSEA jointly agree to the creation of a permanent panel of arbitrators to serve during the term of this Agreement and to be jointly selected and administered by the State of New York and CSEA by an agreed Panel Administrator. The composition of the panel of arbitrators may be changed by mutual agreement of the State and CSEA. In those cases, involving an allegation of patient, client, resident or similar abuse, the Panel Administrator of the panel of disciplinary arbitrators must appoint the disciplinary arbitrator from a select panel of arbitrators jointly agreed to by the State and CSEA. Disciplinary arbitrators on the select panel shall receive special training regarding patient abuse and the disciplinary process. The special training shall be jointly sponsored by the State and CSEA.

(2) All fees and expenses of the arbitrator, if any, shall be divided

equally between the appointing authority and CSEA, or the employee if not represented by CSEA. Each party shall bear the cost of preparing and presenting its own case. The estimated arbitrator's fees and estimated expenses may be collected in advance of the hearing. Where the arbitrator requires that their estimated fees and expenses be collected in advance of the hearing from an employee who elects not to be represented by CSEA, and the employee fails to tender such advance as required, the grievance shall be deemed withdrawn.

(c) Hearing

(1) The disciplinary arbitrator shall hold a hearing within twenty-one (21) calendar days after selection. A decision shall be rendered within seven (7) calendar days of the close of the hearing or within seven (7) calendar days after receipt of the transcript, if either party elects a transcript as provided in this Article, or within such other period of time as may have been mutually agreed to by the department or agency and the grievant or their representative.

(2) Arbitrations, pursuant to this Article, shall be held at an appropriate location at the employee's facility.

(3) Protection of Patient or Client Witnesses

(i) A patient or client witness will be protected, when giving testimony in a disciplinary arbitration hearing, by shielding the employee from view, in one of the following ways:

- use of a portable screen or partition consisting of one-way glass; or
- use of a closed-circuit television in a live transmission with the employee in a separate room and the arbitrator, the representatives, and the witness(es) in another room; or
- use of a one-way mirrored room with the employee in a separate room with the ability to view and hear the proceedings.

A patient or client witness will be shielded in one of the described ways when a certified or licensed professional determines that there is a need for such protection for the patient or client witness. A determination that there is a need for such protection is not subject to review.

(ii) Additionally, where the employee is in a separate room during the arbitration hearing, a method of communication will be provided for the employee to communicate with their representative.

(d) Recording/Transcript

(1) Unless both parties agree, the proceedings in disciplinary

arbitrations should not be recorded. The use of transcripts is to be discouraged and the fact that a transcript is made should not extend the date the hearing is closed. The party ordering the transcript shall obtain and pay for an expedited or rush transcript.

(2) Either party wishing a transcript at a disciplinary arbitration hearing may provide for one at its own expense and shall provide a copy to the arbitrator and the other party.

(e) Ex Parte Hearing

The arbitrator may hold ex parte hearings in cases where an employee fails to attend the hearing after being served with a notice of discipline pursuant to this Article and has not notified the arbitrator in advance or produced a satisfactory reason for their failure to appear.

(f) Settlement

(1) A disciplinary matter may be settled at any time following service of the notice of discipline. The terms of the settlement shall be agreed to in writing. An employee before executing such a settlement shall be notified of their right to have a CSEA representative or private counsel provided at their own expense present or to decline such representation and, if such representation is requested, to have a reasonable period of time for that purpose. If the employee requests representation and the CSEA or employee fails to provide a representative within a reasonable time, the settlement may be executed. An arbitrator pursuant to Article 34 shall have the power to find that a delay in providing a representative may have been unreasonable. A settlement entered into by the employee, their private counsel or CSEA shall be final and binding on all parties. The Arbitration Administrator of CSEA and the CSEA Local President shall be advised of the settlement in writing by first-class mail or email.

(2) Offers of compromise or any attempt at settlement prior to the arbitration, shall not be introduced at the arbitration hearing or accepted as evidence by the arbitrator.

(g) Arbitrator's Authority

(1) Disciplinary arbitrators shall render determinations of guilt or innocence and the appropriateness of proposed penalties and shall have the authority to resolve a claimed failure to follow the procedural provisions of this Article including, but not limited to, the timeliness of the filing of the disciplinary grievance, and whether the notice of discipline was properly served in accordance with this Article.

(2) Disciplinary arbitrators shall neither add to, subtract from, or modify the provisions of this Agreement.

(3) The disciplinary arbitrator's decision with respect to guilt or

innocence, penalty, probable cause for suspension or temporary reassignment, if any, and a claimed failure to follow the procedural provisions of this Article shall be final and binding upon the parties.

(4) The disciplinary arbitrator may approve, disapprove, or take any other appropriate action warranted under the circumstances, including, but not limited to, ordering reinstatement and back pay for all or part of any period of suspension without pay. If the arbitrator upon review finds probable cause for suspension without pay, they may consider such suspension in determining the penalty to be imposed.

(5) The disciplinary arbitrator is not restricted by the contractual limits on penalties which may be proposed by the State. The disciplinary arbitrator has full authority, if the remedy proposed by the State is found to be inappropriate, to devise an appropriate remedy, but shall not increase the penalty sought by the State except that the arbitrator may direct referral to a rehabilitative program in addition to the penalty.

(6) The employee's entire record of employment may be considered with respect to the appropriateness of the penalty to be imposed, if any.

(7) This disciplinary procedure is not the proper forum for the review of counseling memoranda or unsatisfactory performance evaluations.

(h) Back Pay Award

Where an employee is awarded back pay, the amount to be reimbursed shall not be offset by any wages earned by the employee during the period of their suspension. Where an employee is awarded back pay, said award shall be deemed to include retroactive reimbursement of all other benefits, including the accrual of leave credits and holiday leave.

§33.5 Time and Attendance Disciplinary Grievances

(a) All notices of discipline based solely on time and attendance, including tardiness, which have not been settled or otherwise resolved, shall be reviewed by a permanent umpire in accordance with the attached schedule except as otherwise provided in paragraph (g) below.

(b) The determinations of the permanent umpire shall be confined to the guilt or innocence of the grievant and the appropriateness of the proposed penalty. The employee's entire record of employment may be considered by the permanent umpire with respect to the appropriateness of the penalty to be imposed. The permanent umpire shall have the authority to resolve a claimed failure to follow the procedural provisions of this Article.

(c) The decision and award of the permanent umpire, with respect to guilt or innocence and penalty, if any, shall be final and binding on the parties and not subject to appeal to any other forum except that, in the case of a decision and award of the permanent umpire which results in a penalty of dismissal from service, the decision and award may be reviewed in accordance with Article 75 of the CPLR. The permanent umpire shall, upon a finding of guilt, have full authority to uphold the penalty proposed in the notice of discipline or to impose a lesser penalty within the minimum and maximum penalties as contained in the attached schedule and appropriate to that notice of discipline. In appropriate cases and in addition to the penalty imposed, the permanent umpire may direct the grievant to attend counseling sessions or other appropriate programs jointly agreed upon by the State and CSEA.

(d) Within one (1) month of the execution of this Agreement, the State and CSEA shall mutually select a panel of two or more permanent umpires who shall serve for the term of this Agreement and shall be jointly administered by the State and CSEA. All fees and expenses of the permanent umpires shall be divided equally between the State and CSEA.

(e) Unless the State and CSEA mutually agree otherwise, the permanent umpires shall be available to hold reviews at least once each month on a regularly scheduled basis. At such times, the permanent umpires shall review and finally determine all time and attendance disciplinary grievances which have been pending no less than ten (10) days prior to the permanent umpire's scheduled appearance and are unresolved in accordance with paragraph (a) above.

(f) An employee is entitled to appear at the review before a permanent umpire and is entitled to have a CSEA representative or an attorney provided at their own expense present. Matters scheduled to be heard by the permanent umpire may not be adjourned except at the discretion of the permanent umpire for good cause shown. Any matters which are adjourned shall be rescheduled for the next regularly scheduled appearance of the permanent umpire.

(g) Where an employee is to be served a notice of discipline related solely to time and attendance and, within three years of such notice, has been found guilty of or settled (or a combination of both) two prior notices of discipline not solely related to time and attendance, the appointing authority may elect either to pursue such time and attendance notice before the permanent umpire in accordance with the attached Schedule or to service a notice of discipline and proceed before

a disciplinary arbitrator. This paragraph shall not apply to notices of discipline based solely on tardiness.

For the purposes of the Time and Attendance Schedule only, “prior record” shall mean any notice of discipline based solely on time and attendance where either guilt was found, or a settlement occurred or a combination of both occurred. However, for all notices of discipline based solely upon time and attendance issued on or after July 1, 1992, the “prior record” shall not include any notices of discipline based solely upon time and attendance that are three or more years old if the employee has not been served a notice of discipline based solely upon time and attendance within the three years from the date of the resolution of the last notice of discipline based solely upon time and attendance.

Notices of discipline based solely on tardiness shall proceed on the tardiness schedule only and shall not be considered as a prior record for any other offense.

The penalty level for notices of discipline which contain charges of both tardiness and unauthorized absence shall be the appropriate level within the type of unauthorized absence charge.

(h) As used in this Article, “time and attendance disciplinary grievances” shall mean those disciplinary grievances based upon notices of discipline which specify tardiness, or unauthorized absence, including improper use of sick leave, and do not contain any other allegations of misconduct or incompetence.

§33.6 Administration

The State and CSEA may jointly administer the arbitration procedure and panels for the purpose of this Article. The State shall seek an appropriation in the amount indicated in each year of the 2021-2026 Agreement: \$446,402 in 2021-2022, \$455,330 in 2022-2023,

\$464,437 in 2023-2024, \$473,725 in 2024-2025 \$483,200 in 2025-2026 and thereafter, to be used for the self-administration of the panels and procedure, the time and attendance procedure, research for and training of the panels in the area of patient abuse, and publication of arbitration decisions. The unexpended portion of each year's appropriation shall be carried over into the succeeding year and added to the appropriation for the succeeding year.

§33.7 Application

Changes in shift, pass day, job assignment, transfer or reassignment to another institution, station or work location shall not be made for the purpose of imposing discipline.

Article 34

Grievance and Arbitration Procedure

§34.1 Definition of Grievance

(a) A contract grievance is a dispute concerning the interpretation, application or claimed violation of a specific term or provision of this Agreement. Other disputes which do not involve the interpretation, application, or claimed violation of a specific term or provision of this Agreement, including matters as to which other means of resolution are provided or foreclosed by this Agreement, or by statute or administrative procedures applicable to the State, shall not be considered contract grievances. A contract grievance does not include matters involving the interpretation, application or claimed violation of an agreement reached pursuant to any previously authorized departmental negotiations.

(b) Any other dispute or grievance concerning a term or condition of employment which may arise between the parties or which may arise out of an action within the scope of authority of a Division head and which is not covered by this Agreement shall be processed up to and including Step 3 of the grievance procedure, except those issues for which there is a review procedure established by law or pursuant to rules or regulations filed with the Secretary of State.

§34.2 Requirements for Filing Contract Grievances

(a) A contract grievance shall be submitted, in writing, on forms to be provided by the State.

(b) Each contract grievance shall identify the specific provision of the Agreement alleged to have been violated and shall contain a short, plain statement of the grievance, the facts surrounding it, and the remedy sought.

(c) CSEA shall have the right to initiate a grievance at Step 1 which involves more than one employee at a facility. Such grievance shall contain a general description of the employees involved including, if possible, the name of such employees, title, and work location.

(d) Upon agreement of the State and CSEA, CSEA shall have the right to initiate at Step 2 a grievance involving employees at more than one facility of the Division. CSEA shall also have the right, upon agreement with the State, to initiate at Step 3 a grievance involving employees at more than one facility of the Division.

(e) The Division shall initiate contract grievances against CSEA at Step 4.

§34.3 Representation

CSEA shall have the exclusive right to represent any employee, upon the employee's request, at any step of the grievance procedure; provided,

however, an individual employee may represent himself or herself in processing their grievance at Steps 1 and 2.

§34.4 Grievance Steps

Prior to initiating a formal written grievance pursuant to this Article, an employee or CSEA is encouraged to resolve disputes subject to this Article informally with the appropriate immediate supervisor.

(a) Step One. The employee or CSEA shall present the grievance to the facility head or their designated representative not later than thirty (30) calendar days after the date on which the act or omission giving rise to the grievance occurred. The facility head or designated representative shall meet with the employee or CSEA and shall issue a short, plain written statement of reasons for its decision to the employee or CSEA not later than twenty (20) working days following the receipt of the grievance.

(b) Step Two. An appeal from an unsatisfactory decision at Step 1 shall be filed by the employee or CSEA, on forms to be provided by the State, with the Division head or designated representative within ten (10) working days of the receipt of the Step 1 decision. Such appeal shall be in writing and shall include a copy of the grievance filed at Step 1, a copy of the Step 1 decision and a short, plain written statement of the reasons for disagreement with the Step 1 decision. The Division or designated representative shall meet with the employee or CSEA for a review of the grievance and shall issue a short, plain written statement of reasons for its decision to the employee or CSEA, as appropriate, no later than twenty (20) working days following receipt of the Step 1 appeal.

(c) Step Three. * An appeal from an unsatisfactory decision at Step 2 shall be filed by CSEA through its Director of Contract Administration or their designee, on forms to be provided by the State with the Director of the Office of Employee Relations, or designated representative, within fifteen (15) working days of the receipt of the Step 2 decision. Such appeal shall be in writing and shall include a copy of the grievance filed at Step 1, and a copy of all prior decisions and appeals, and a short, plain written statement of the reasons for disagreement with the Step 2 decision.

Within 30 calendar days of the filing of the appeal to Step 3, a grievance may be amended to specify a different term or provision of the

*CSEA, if it requests a meeting in its Step 3 appeal of a grievance filed under Article 34.1(b), shall be entitled to meet with the Director of the Office of Employee Relations, or the Directors' designee, before a decision is issued.

Agreement alleged to have been violated other than specified at the submission at Step 1. Such amendment shall be included in the Step 3 appeal letter along with a short, plain statement noting the new term or provision of the Agreement alleged to have been violated. No other amendment(s) to the grievance shall be permitted except with consent of the State.

The Director of the Office of Employee Relations, or the Director's designee, shall issue a short, plain written statement of reasons for their decision within thirty (30) working days after the conclusion of the 30-day amendment period or receipt of the Step 3 appeal letter, whichever is earlier. A copy of said written decision shall be forwarded to the Director of Contract Administration of CSEA, or their designee.

(d) Step Four. Arbitration

(1) Contract grievances which are appealable to arbitration pursuant to the terms of this Article may be appealed to arbitration by CSEA by the Director of Contract Administration or their designee, by filing a demand for arbitration upon the Director of the Office of Employee Relations within fifteen (15) working days of the receipt of the Step 3 decision.

(2) The demand for arbitration shall identify the grievance, the employee or employees involved, and the specific term or provision of the Agreement alleged to have been violated.

(3) All contract grievances appealed to arbitration shall be heard by a single Master Arbitrator, who shall be mutually selected by the parties. All such grievances shall be heard and reviewed by the Master Arbitrator during the Triage phase of Step 4. At the Triage phase, the parties shall be represented by staff and/or counsel, and shall present all relevant information, documents, and argument to the Master Arbitrator.

(4) The Master Arbitrator shall have complete authority at the Triage phase of Step 4 to sustain or deny the grievance, or to suggest and accomplish resolution of the grievance. If the Master Arbitrator determines that an evidentiary hearing is necessary, the grievance shall be scheduled for expedited arbitration before the Master Arbitrator for the next available hearing date. The Master Arbitrator shall discuss with the parties the specific issue to be arbitrated, and the specific witnesses who shall testify at the expedited arbitration. The Master Arbitrator shall have the authority to preclude witnesses they determine to be non-essential to the issue(s) before them.

(5) The parties may provide legal counsel at the expedited arbitration. All relevant facts and documents shall be stipulated to at the expedited arbitration, and witnesses may be presented upon the approval of the

Master Arbitrator. Except in exceptional cases, there will be no written briefs filed: verbal closing statements will be allowed. The Master Arbitrator shall take notice of all relevant prior arbitration decisions. The Master Arbitrator shall render a written Award no later than thirty (30) days after the close of the hearing.

(6) Upon mutual agreement by CSEA and the State, and with the consent of the Master Arbitrator, certain grievances shall be heard before the Master Arbitrator in a traditional arbitration setting, allowing a full range of witnesses and the submission of written briefs. In exceptional cases, at the request of the Master Arbitrator, an outside ad hoc arbitrator may be employed to hear and determine a specific grievance or issue, as agreed upon by the parties.

(7) The Master Arbitrator shall have full authority to resolve all procedural and substantive contractual issues at either the Triage phase or the Expedited Arbitration phase of Step 4, but shall have no power to add to, subtract from or modify the terms or provisions of this Agreement. The Master Arbitrator shall confine his Award solely to the application and/or interpretation of this Agreement. All Awards of the Master Arbitrator, both at the Triage phase and at the Expedited Arbitration phase, shall be final and binding consistent with the provisions of CPLR Article 75.

(8) The Master Arbitrator shall be available for a specified number of days in each month to review and resolve grievances and to study and issue Awards, as agreed upon by the parties. All fees and expenses of the Master Arbitrator shall be divided equally between the parties. The parties agree that the Master Arbitrator shall be paid the customary fees for such arbitration services.

§34.5 Procedures Applicable to Grievance Steps

(a) Steps 1 and 2 shall be informal and the grievant and/or CSEA shall meet with the appropriate step representative for the purpose of discussing the grievance.

(b) No transcript is required at any step. However, either party may request that the review at Step 2 only be tape-recorded at its expense and shall provide a copy of such tape recording to the other party.

(c) Step 3 is intended primarily to be a review of the existing grievance file; provided, however, that additional exhibits and evidence may be submitted in writing.

(d) Any meeting required by this Article may be mutually waived.

(e) All of the time limits contained in this Article may be extended by mutual agreement. Extensions shall be confirmed in writing by the party requesting them. Upon the failure of the State, or its representatives, to

provide a decision within the time limits provided in this Article, the grievant or CSEA may appeal to the next step. Upon failure of the grievant, or the grievant's representative, to file an appeal within the time limits provided in this Article, the grievance shall be deemed withdrawn.

A settlement of or an award upon a contract grievance may or may not be retroactive as the equities of each case demand, but in no event shall such a resolution be retroactive to a date earlier than thirty (30) days prior to the date the contract grievance was first presented in accordance with this Article, or the date the contract grievance occurred, whichever is the later date.

(f) A settlement of a contract grievance at Steps 1 through 3 shall constitute precedent in other and future cases only if the Director of the Office of Employee Relations and the President of CSEA agree, in writing, that such settlement shall have such effect.

(g) The State shall supply in writing, with each copy of each step response, the name and address of the person to whom any appeal must be sent, and a statement of the applicable time limits for filing such an appeal.

(h) All contract grievances, appeals, responses and demands for arbitration shall be submitted by registered or certified mail, return receipt requested, or by personal service. All time limits set forth in this Article shall be measured from the date of receipt. Where service is by registered or certified mail, the date of the receipt shall be that date appearing on the return receipt; provided, however, that the time limits for the submission of a grievance or the filing of an appeal or demand for arbitration or issuance of a step response shall be determined from the date of personal service or date of mailing by certified or registered mail, return receipt requested.

(i) Working days shall mean Monday through Friday, excluding holidays, unless otherwise specified, and days shall mean calendar days.*

(j) The State shall prepare, secure introduction, and recommend

**In the case of employees assigned to operations which normally operate on a seven (7) day a week basis, reference to ten (10) working days shall mean fourteen (14) calendar days and reference to five (5) working days shall mean (7) calendar days, and reference to twenty (20) working days shall mean twenty-eight (28) calendar days.

passage by the Legislature of such legislation as may be appropriate and necessary to establish a special appropriation fund to be administered by the Office of the State Comptroller to provide for prompt payment of settlements reached or arbitration awards issued pursuant to this Article.

(k) In the event that CSEA alleges that the favorable resolution of a grievance has not been implemented in a reasonable period of time or that the State has reneged on the terms of the resolution, CSEA may resort to the procedure contained in Article 34.1(b) which shall, for purposes of this subsection, begin at Step 2.

(l) A claimed failure to follow the procedural provisions of Article 33 **DISCIPLINE** shall be reviewable in accordance with the provisions contained in that Article.

Article 35

Resignation

§35.1 An employee who is advised that they are alleged to have been guilty of misconduct or incompetency and who is therefore requested to resign shall be given a statement written on the resignation form that:

(a) they have a right to consult a representative of CSEA or private counsel selected at their own expense or the right to decline such representation before executing the resignation, and a reasonable period of time to obtain such representation, if requested, will be afforded for such

purpose.

(b) they may decline the request to resign and that in lieu thereof, a notice of discipline must be served upon them before any disciplinary action or penalty may be imposed pursuant to the procedure provided in Article 33 of the Agreement between the State and CSEA.

(c) in the event a notice of discipline is served, they have the right to object to such notice by filing a grievance;

(d) such disciplinary grievance procedure terminates in binding arbitration.

(e) they would have the right to representation by CSEA or by private counsel selected at their own expense at every step of the procedure; and

(f) they have the right to refuse to sign the resignation and their refusal in this regard cannot be used against them in any subsequent proceeding.

Article 36

Job Abandonment

(a) Any employee absent from work without authorization for 14 consecutive calendar days shall be deemed to have resigned from their position if the employee has not personally contacted their facility or the Division personnel office on or before the 15th calendar day following the commencement of such period of absence without authorization.

(b) Within the first seven days of said absence without authorization, the Division shall send notification to the employee and the CSEA Local President by certified mail, return receipt requested, that the employee's absence is considered unauthorized and would be deemed to constitute resignation pursuant to Article 36.

(c) Within 15 calendar days commencing from the 15th consecutive day of absence from work without authorization, an employee may submit an explanation concerning their absence, to the Division. The burden of proof shall be upon the employee to establish that it was not possible for them to report to work or notify the Division of the reason for their absence. The Division shall issue a short response within five calendar days after receipt of such explanation. If the employee is not satisfied with the response, CSEA, upon the employee's request, may appeal the Division's response to the Office of Employee Relations within five calendar days after receipt of the Division's response. The Director of the Office of Employee Relations, or the Director's designee, shall issue a written response within five calendar days after receiving such appeal. Determinations made pursuant to this subsection shall not be arbitrable.

Job Classifications

The State will provide to CSEA copies of any new or revised tentative classification specifications and standards for titles in the Division of Military and Naval Affairs Unit for review and comment. CSEA will provide its comments, if any, to the Division within 45 calendar days after its receipt of such material. The specifications and standards will not be issued in final form during the 45 calendar days in order to permit consideration of any comments submitted by CSEA.

Article 42

Severability

In the event that any article, section, or portion of this Agreement is found to be invalid by a decision of a tribunal of competent jurisdiction or shall have the effect of loss to the State of funds made available through Federal law, then such specific article, section, or portion specified in such decision or having such effect shall be of no force and effect, but the remainder of this Agreement shall continue in full force and effect. Upon the issuance of such a decision or the issuance of a ruling having such effect of loss of Federal funds, then either party shall have the right immediately to reopen negotiations with respect to a substitute for such article, section or portion of this Agreement involved. The parties agree to use their best efforts to contest any such loss of Federal funds which may be threatened. In the event that the Legislature fails to implement Section 7.1, any or all articles may be reopened at the option of CSEA or the State and renegotiated. In the event that any other

article, section, or portion of this Agreement fails to be implemented by the Legislature, then in that event, such article, section, or portion may be reopened by CSEA or the State and renegotiated. During the course of any reopened negotiations any provision of this Agreement not affected by such reopener shall remain in full force and effect.

Article 43

Conclusion of Collective Negotiations

This Agreement is the entire agreement between the State and CSEA, terminates all prior agreements and understandings and concludes all collective negotiations during its term. During the term of this Agreement, neither party will unilaterally seek to modify its terms through legislation or any other means. The parties agree to support jointly any legislation or administrative action necessary to implement the provisions of this Agreement. The parties acknowledge that except as otherwise expressly provided herein, they have fully negotiated with respect to the terms and conditions of employment and have settled them for the term of this Agreement in accordance with the provisions thereof.

Article 44

Printing of Agreement

CSEA shall cause this Agreement to be printed and shall furnish the State with a sufficient number of copies for its use. The State agrees to provide each employee initially appointed on or after the date of this Agreement a copy thereof as soon as practicable following the employee's first day of work. The cost of printing this Agreement shall be shared equally by the State and CSEA.

Article 45

Approval of the Legislature

It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds, therefore, shall not become effective until the appropriate legislative body has given approval.

Article 46

Duration of Agreement

The term of this Agreement shall be from April 2, 2021, to April 1, 2026.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective representatives on June 2, 2022.

Appendix II

Maternity and Child-Rearing Leave

This memorandum revokes and replaces the August 3, 1973 memorandum from the Civil Service Commission regarding maternity leave effective immediately.

Pregnant employees may be asked or encouraged to report the existence of pregnancy, but they may not be required to do so. Where, in the opinion of the appointing officer, the nature of the duties performed may be particularly hazardous or burdensome during pregnancy, this should be pointed out in the letter of appointment and such employees should be urged to advise their supervisors of any pregnancy. In any case where the appointing authority believes the employee is unable to perform the duties of the position because of pregnancy, the employee may be required to undergo a medical examination at the expense of the Division by a physician designated by the appointing authority. A pregnant employee who is determined to be medically disabled from the performance of job duties must be treated the same as any other employee similarly disabled insofar as disability leave benefits are concerned.

Sick leave and sick leave at half-pay may be used only during a period of medical disability. Under the State's policy, disabilities arising from pregnancy or childbirth are treated the same as other disabilities in terms of eligibility for or entitlement to sick leave with and/or without pay, extended sick leave and sick leave at half-pay. Generally, the period of disability is deemed to commence approximately four weeks prior to delivery and to continue for six weeks following delivery. While doctor's certificates may be required for any period of disability, the Division should request detailed medical documentation whenever disability is claimed to commence prior to or to extend beyond the period of disability above.

An appointing authority may approve an employee's request for leave without pay during pregnancy and prior to the onset of any medical disability as a matter of discretion. Absences during pregnancy and following childbirth may be charged to vacation, over-time or personal leave irrespective of whether the employee is disabled. While the use of annual leave, overtime and personal leave accruals prior to the onset of medical disability is discretionary with the appointing authority, employees must be permitted to use these accruals during a period of medical disability after sick leave with pay has been exhausted.

Employees, regardless of sex, are entitled to leave without pay for

childcare for up to seven months following the date of delivery. *

For purposes of computing the seven-month period of mandatory leave, periods during which the employee was absent for “disability” or use of leave credits are included; the mandatory seven-month period is not extended by the granting of disability leave or the use of accrued leave. During a period of leave for childcare, employees shall be permitted, upon request, to use annual leave, personal leave and overtime credits before being granted leave without pay. As is the case with other mandatory leaves without pay (e.g., military leave), the Division shall not require that employees exhaust all appropriate leave credits prior to being granted leave without pay for childcare. Sick leave or sick leave at half-pay may be used only during a period of medical disability (Attendance Rules Sections 21.3, 21.4, 21.5, 28.3, 28.4 and 28.5). Except in the case of continuing medical disability, any leave of absence beyond the seventh month following childbirth shall be at the discretion of the appointing authority as provided in Section 22.1 and 29.1 of the Attendance Rules. An employee who requests a leave for childcare of less than seven months is entitled to have such leave extended, upon request, up to the seven-month maximum and may, at the discretion of the appointing authority, have such leave extended beyond the seventh month. In certain situations, an employee may not be permitted to return from such leave until expiration of the period that such employee requested and was granted. Generally, such restrictions on early return are limited to situations where such return would be disruptive of a project or where the termination of a replacement would occur.

During the seven-month period following childbirth, the granting of leave for childcare is mandatory upon request from either parent. If both parents are State employees, leave for childcare is mandatory for one parent at a time and the parents may elect to split the mandatory seven month leave into two separate blocks of leave with each parent entitled to one continuous period of leave but not to exceed a combined total of seven months of leave and not to extend beyond seven months from date of delivery.

The Division may, at their discretion, approve other arrangements for shared leave including concurrent leave and may, as a matter of discretion, extend leave for childcare beyond the mandatory seven months.

Furthermore, while one parent is absent on leave for childcare, the Division continues to have the discretion to approve requests from the

*See Division of Military and Naval Affairs Unit Contract, Article §10.19

other parent for periods of vacation or personal leave and for family sick leave in accordance with Sections 21.3(f) and 28.3(f) of the Attendance Rules.

Temporary, provisional and probationary employees without any permanent status are entitled to leave with full pay and/or without pay as described above. However, these employees are not eligible for sick leave at half-pay nor are they entitled to leave beyond that date when their employment would otherwise terminate (e.g., temporary item abolished, permanent incumbent restored to item, certification of eligible lists, etc.). In general, the State's policy on leave for pregnancy, childbirth and childcare shall not be construed to require extension of any employment (permanent, permanent contingent, temporary, or provisional) beyond the time it would otherwise terminate.

Appendix III

Child Care Leave for Adoptive Parents

This memorandum extends entitlement to leave without pay for childcare to adoptive parents in the same manner and to the same extent that such leave is available to birth parents. This memorandum applies to all eligible State employees, except that where an Agreement between the State and an employee organization entered into pursuant to Article 14 of the Civil Service Law (the Taylor Law) provides for a different leave benefit, the provisions of the Agreement shall control. However, nothing in the Agreements precludes appointing authorities from extending the benefits provided by this policy on a discretionary basis.

State employees, regardless of gender, are entitled to a maximum of seven months of leave without pay for childcare in connection with the adoption of a child in accordance with the provisions of Article 7 of the Domestic Relations Law.

Entitlement to such leave without pay shall be for a period of up to seven months. The employee may take leave for this purpose starting at any time from the date the adoptive child is placed with the family to the effective date of the adoption.

In general, the guidelines for leave of absence for childcare for adoptive parents are the same as those governing leave for childcare for birth parents. *

During a period of leave for childcare, employees shall be permitted, upon request, to use annual leave, personal leave and overtime credits before being granted leave without pay.

*See Division of Military and Naval Affairs Unit Contract, Article §10.19

However, the Division shall not require that employees exhaust all appropriate leave credits before being granted leave without pay for childcare. The seven-month period of such leave is not extended by the use of accrued leave credits.

An adoptive parent who requests a leave of absence for childcare purposes of less than seven months is entitled to have such leave extended, upon request, up to the seven-month maximum. If both adoptive parents are State employees, one parent may elect to take the entire leave, or the parents may choose to divide the leave time with each entitled to one continuous period of leave as long as it does not exceed the combined total of seven months of leave.

The Division, may, in its discretion, approve other arrangements for shared leave and may as a matter of discretion extend leave for childcare for adoptive parents beyond the seven months to which this new policy entitles them. Furthermore, while one parent is absent on leave for childcare, the Division continues to have the discretion to approve requests from the other parent for periods of vacation or personal leave, or for family sick leave in accordance with Sections 21.3(f) and 28.3(f) of the Attendance Rules.

The State's policy on leave for childcare for adoptive parents shall not be construed to require extension of any employment beyond the time it would otherwise terminate.

Appendix IV Attendance and Leave

Annual Leave

1. Full-time employees in the bargaining unit appointed on or after April 1957 will, upon the completion of thirteen continuous bi-weekly periods, be credited with annual leave as follows:

a. Employees with a basic workweek of forty hours will be credited with fifty-two hours of leave. Employees will thereafter accrue leave at a bi-weekly rate of four hours.

b. Employees with a basic workweek of thirty-seven and a half hours will be credited with forty-eight and three quarters hours leave. Employees will thereafter accrue leave at a bi-weekly rate of three and three-quarters hours.

2. Additional vacation credits will be earned upon the completion of each full year of continuous service as follows:

**Completed Year(s) of
Continuous Service**

**Additional Vacation
Credits**

1	1 day
2	2 days
3	3 days
4	4 days
5	5 days
6	6 days
7	7 days

3. After the anniversary date on which an eligible employee has been credited with seven (7) days of additional vacation credits, They will thereafter earn vacation for each completed bi-weekly pay period at the following rates:

a. Employees with a basic workweek of forty (40) hours will earn and accumulate vacation at the rate of six (6) hours for each bi-weekly pay period, with the exception of the thirteenth and twenty-sixth bi-weekly pay periods, for which they will be credited with eight (8) hours each.

b. Employees with a basic workweek of thirty-seven and one-half (37 1/2) hours will earn and accumulate vacation at the rate of five and three-quarters (5 3/4) hours for each bi-weekly pay period, with the exception of the thirteenth and twenty-sixth bi-weekly pay periods, for which they will be credited with six (6) hours each.

4. Notwithstanding the provisions of Article 10, Attendance and Leave, the State agrees to grant employees hired on or before April 1, 1957, and who have twenty-nine (29) or more years of continuous State service and who are entitled to earn and accumulate vacation credits as follows:

**Completed Year(s) of
Continuous Service**

**Additional Vacation
Credits**

25 to 29	2 days
30 to 34	4 days
35 or more	5 days

Sick Leave

1. Full-time employees in the bargaining unit accrue sick leave as follows:

a. Employees with a basic workweek of forty hours earn leave at a rate of four hours per bi-weekly pay period. Sick leave accruals may

not exceed 225 days.

b. Employees with a basic workweek of thirty-seven and one-half hours, earn leave at a rate of three and three-quarters hours per bi-weekly pay period. Sick leave accruals may not exceed 225 days.

Medical Documentation

The Attendance Rules provide that an appointing authority is entitled to satisfactory medical documentation before approving absence due to illness or before authorizing return to work.

Satisfactory medical documentation generally meets the following criteria:

1. A brief diagnosis will not be required as part of any required medical documentation unless the employee has been absent from work due to illness or injury for greater than 30 consecutive calendar days.

2. It specifies the inclusive dates of disability covered by the doctor's note and the date or dates of treatment during the period covered.

3. It certifies that the employee is disabled from the performance of Their job duties. In some cases (for example, partial disability) it may provide information on the kinds of job duties the employee is unable to perform.

4. It indicates the anticipated date of return to work.

5. It is signed by an appropriate medical practitioner.

Sick Leave at Half-Pay

Article 10.7 of this Agreement describes the conditions which must be met before mandatory sick leave at half-pay must be granted. However, under certain circumstances agencies may grant discretionary sick leave at half-pay pursuant to Section 21.5 of the Attendance Rules during any period of absence caused by personal disability for which the employee is not entitled to mandatory sick leave at half-pay under the contract. During waiting periods for mandatory sick leave at half-pay under this Agreement, employees continue to be eligible for discretionary sick leave at half-pay pursuant to the Attendance Rules and a determination must be made regarding granting or denying such leave under the Rules during that waiting period. For example, an employee in the DMNA who is otherwise eligible, may be granted discretionary sick leave at half-pay prior to being absent 30 consecutive workdays. To be eligible for discretionary sick leave at half-pay under the Attendance Rules, an employee must have completed one cumulative year of State service, must have permanent status as of the point sick leave at half-pay is to begin (probationers with no permanent hold item are not eligible), must have exhausted all accrued leave credits and must have submitted satisfactory medical documentation of personal disability. Although sick

leave at half-pay under the Attendance Rules is discretionary, arbitrary denials are not consistent with the intent of the Rules.

Airport Firefighters

Accruals for employees in the Airport Firefighter titles shall be based on a pro-rated accruals formula for a 53-hour workweek as prescribed in the Memorandum of Understanding agreed to by DMNA and CSEA dated March 8, 1993, or successor Agreement.

Annual Leave

Employees with up to seven years of service accrue at a rate of 5.25 hours on a bi-weekly basis with .50 hours added on the 13th pay period and .75 hours on the 26th pay period.

Employees with over seven years accrue at a rate of 8 hours on a bi-weekly basis with two hours added on the 13th and 26th pay period.

Annual leave credits may be accumulated to 424 hours. An employee's annual leave accumulation may exceed the maximum, provided however, that the employee's balance may not exceed 424 hours on April 1 of any year.

Sick Leave

Employees accrue at a rate of 5.25 hours on a bi-weekly basis with 1.3 hours added on the employee's vacation anniversary date.

Employees may accumulate up to a total of 2120 hours and shall have the ability to use up to 2120 hours of such credits for retirement service credit and to pay for health insurance in retirement.

For the purpose of earning and payment of overtime compensation for employees, an absence charged to sick leave accruals will be reviewed consistent with Article 19.1(i) and applied based on a bi-weekly pay period of 106 hours as prescribed in the Memorandum of Understanding agreed to by DMNA and CSEA dated March 8, 1993, or successor Agreement.

Personal Leave

Employees shall be credited with 53 hours of personal leave per year in accordance with Military Regulation 690.1.

MEMORIAL DAY, INDEPENDENCE DAY AND VETERANS DAY

An eligible veteran who receives holiday pay for working on Memorial Day or Veterans Day or an eligible former reservist who receives holiday pay for working on Independence Day is also entitled to compensatory time off with pay as provided by Section 63 of the Public Officers' Law or Section 249 of the Military Law. If the employee has waived holiday pay, the employee is entitled to compensatory time off for time worked on the holiday in lieu of such

holiday pay and is not entitled to a second day of compensatory time off because of provisions of the Public Officers' Law or the Military Law. In the one case, both holiday pay and compensatory time off must be granted, in the other case, only the one day of compensatory time off may be allowed.

An eligible former reservist is entitled to compensatory time off for time worked on Independence Day and an eligible veteran for time worked on Memorial Day or Veterans' Day. If that day falls on a Saturday and the State designates another day to be observed as a holiday in lieu of such holiday (and the employee is entitled to observe such designated holiday), the employee is entitled to holiday pay and/or compensatory time off for time worked on such other day. The employee is also entitled to compensatory time off for time worked on the Saturday observed as the legal holiday. However, the employee is not eligible for holiday pay for time worked on the legal holiday since it is not a day observed as a holiday by the State as an employer.

Appendix V

Maximum Allowances for Receipted Lodging and Meal Expenses for Overnight

Employees are reimbursed for overnight lodging and meals based on an allowance established by the General Service Administration (GSA) for travel within the continental US (CONUS) and by the Department of State for travel outside the continental US (OCONUS). Rates are available by Federal Fiscal year which begins on October 1 of each year. These rates are found at <http://www.gsa.gov/portal/category/104711>. Users can change the fiscal year to identify approved rates for prior periods.

Appendix VI

Mandatory Alternate Duty Policy Memorandum of Understanding

A. Mandatory Alternate Duty Policy

As provided in the 2007-2011 negotiated Agreements between the State and CSEA, and continued in this Agreement, employees who sustain workers' compensation disabilities as defined in Article 11 on or after July 1, 2008, shall receive the workers' compensation benefit provided by law as described in Article 11 of the Agreement. In the interest of returning employees to duty as soon as possible and in recognition of the fact that the statutory wage replacement benefit may be reduced in proportion to the employee's reduced percentage of

disability as the recovery process goes on, the State and CSEA have agreed to institute a Mandatory Alternate Duty Program described herein.

This program is designed to assist employees in returning to work prior to resumption of full job duties and to enable agency management to utilize the capabilities of those employees who would otherwise be unable to return to duty. (The term mandatory as used herein means that [a] an employee who meets the eligibility criteria and requests a mandatory alternate duty assignment must be offered a mandatory alternate duty assignment or the employee must be compensated as provided below, or [b] an employee who meets the eligibility criteria can be ordered by management to return to a mandatory alternate duty assignment.)

B. Eligibility

To qualify for participation in the Mandatory Alternate Duty Program, an employee must meet the following criteria:

1. be classified as partially disabled at 50 percent or less by the State Insurance Fund (SIF); and
2. have a prognosis of full recovery (defined as the ability to perform the full duties of the job in which the employee was injured) within 60 calendar days (defined as 60 calendar days prior to the date of full recovery given by the examining physician).

These medical findings may occur in the course of an examination by an SIF consulting physician, or by the employee's attending physician, or in connection with a management-ordered medical evaluation. (Refer to "Medical Documentation" below).

An employee meeting these eligibility criteria may request their agency to develop an alternate duty assignment. Such request can be submitted at any time between the date of full recovery specified in the medical documentation and 80 calendar days prior to that date. However, in no instance may the mandatory alternate duty assignment begin earlier than 60 calendar days prior to the date of full recovery provided by the examining physician. For any such employee who meets the eligibility criteria set forth above, as determined on the basis of medical documentation satisfactory to management, the appointing authority is required to take one of the following actions:

1. offer the employee a mandatory alternate duty assignment for up to 60 calendar days which takes into account the employee's physical limitations; or
2. where a mandatory alternate duty assignment cannot be provided, arrange for the employee to receive a supplement equal to the difference between that employee's full statutory benefit rate based on 100 percent

disability and the partial disability statutory benefit rate paid to that employee by the SIF. This supplement is payable for the period the mandatory alternate duty assignment would have been expected to last, not to exceed 60 calendar days.

If a qualified employee does not request an alternate duty assignment, agency management may direct the employee to return to work on an alternate duty basis. Such alternate duty assignment shall be for up to 60 calendar days and shall take into account the employee's physical limitations.

The employee who accepts a mandatory alternate duty assignment is entitled to receive their regular full salary for the period of the mandatory alternate duty assignment. Where an employee declines a mandatory alternate duty assignment, the employee will be referred to the SIF for an appropriate benefit determination. Employees who neither request nor are ordered to return to work continue to receive wage replacement benefits from the SIF in accordance with the Workers' Compensation Law.

C. Medical Documentation

Medical documentation submitted to support an employee's participation in the Mandatory Alternate Duty Program must be satisfactory to management. This documentation should contain the following information: a statement that the employee is 50 percent or less disabled, an estimated date of full recovery that is within 80 calendar days of the date of the medical examination, and a statement of the physical limitations which need to be taken into consideration in developing the employee's mandatory alternate duty assignment. This documentation may be provided by a SIF or other State-selected physician or by the employee's attending physician or be a combination of information from these sources.

All medical documentation should be treated confidentially, and great care should be exercised to protect employees against the indiscriminate dissemination or use of the medical information it contains. However, appropriate agency staff are entitled to have access to the medical information related to an employee's physical limitations to the extent it is necessary (1) to evaluate the employee's ability to participate in the Mandatory Alternate Duty Program and (2) to develop an appropriate assignment.

In certain instances, agency management will need additional medical information beyond the original documentation regarding an employee's participation in the Mandatory Alternate Duty Program. This need usually can be met by requesting more detailed information from the examining physician. Occasionally, agencies may need to have the

employee examined by a physician selected by management. In those cases where agency management feels the need to have the employee examined by a physician selected by management, the agency shall make a reasonable effort to complete a medical examination within 20 calendar days from receipt of the employee's request for a mandatory alternate duty assignment.

When agency management fails to complete the medical examination and reach a decision regarding the employee's eligibility for an alternate duty assignment within the 20-calendar day period, the employee shall receive a supplement equal to the difference between the employee's full 100 percent disability statutory benefit rate and the partial statutory benefit rate being paid to the employee by the SIF until the examination is completed and a decision made. This provision shall not apply where the failure of the agency-selected physician to complete the medical examination is attributable to the employee's failure to appear for the examination, the employee's refusal to allow it to be held, or the employee's refusal to cooperate or provide the necessary documentation.

If, following this examination, the agency's physician does not find the employee eligible to participate in the Mandatory Alternate Duty Program, the employee will be referred to the SIF for an appropriate benefit determination.

The issue of medical documentation is not reviewable under Article 34 of the Agreement.

D. Development of Mandatory Alternate Duty Assignments

A mandatory alternate duty assignment, to constitute a valid offer, must be reflective of the employee's physical limitations and may involve performance of some duties of the employee's regular position, or some duties of another existing position or a composite of tasks from several positions. Through a review of past workers' compensation experience, agencies may be able to develop an inventory of potential alternate duty assignments or tasks. However, agencies are expected to make every effort to tailor any mandatory alternate duty assignment to the employee's specific limitations and individual capabilities.

An offer of mandatory alternate duty assignment to an employee should include the following:

- (a) description of proposed alternate duties
- (b) location of assignment
- (c) work hours and workweek
- (d) supervisor

(e) starting date (no earlier than 60 calendar days prior to the anticipated date of full recovery) and ending date (the anticipated date of full recovery).

The specifications in the offer will be based on the medical documentation accepted by management.

If an eligible employee believes that some element of the proposed mandatory alternate duty assignment constitutes a personal hardship, they may express the claim of hardship to the appropriate agency official. Such claim of hardship will be considered by the agency official and responded to in writing with a copy to CSEA prior to the proposed beginning date of the mandatory alternate duty assignment or as soon thereto as possible. This response shall be considered dispositive of the matter.

As stipulated in the Agreement, management has the authority to make mandatory alternate duty assignments to tasks that can be performed by the employee which may not necessarily fall within the employee's regular salary grade, title series or job duties and are not considered violations of either Article 24 or Section 61.2 of the Civil Service Law. Also, such assignments are not considered violations of Articles 44 or 45 of the agreements since mandatory alternate duty assignments exist outside the posting and bidding process. Additionally, when developing an assignment, management is not restricted to the employee's former work location, work schedule, or workweek and such conditions of the assignment are not considered violations of Article 32. Once a complete mandatory alternate duty assignment is established for the period required, the provisions of Article 32 cover the employee while they are working in the assignment.

Management is expected to accommodate the employee as much as possible and exercise sound judgment and consistency in the development of mandatory alternate duty assignments. Agency management will discuss, clarify and review the proposed mandatory alternate duty assignment with the employee and will discuss any changes in that assignment that become necessary during the course of the assignment prior to the change taking place. It is not the intent of this policy, however, to in any way entitle an affected employee to negotiate their mandatory alternate duty assignment with agency management.

The provisions of this program including, for example, the nature of alternate duty assignments and the review of personal hardship situations, are appropriate subjects for labor/management discussions.

E. Expiration of Mandatory Alternate Duty Assignments

When an employee's mandatory alternate duty assignment expires, the employee will be found able to perform the full duties of their regular position in most cases and will return to full duty. If not sufficiently recovered, however, the employee is either returned to being covered by the Workers' Compensation statute (and will receive a wage replacement

benefit reflective of the employee's level of disability) or may request a discretionary extension of the mandatory alternate duty assignment. (See "Extension of Mandatory Alternate Duty Assignments" below.)

Nothing in this policy abrogates management's rights to have the employee examined by a physician selected by management as a condition of allowing the employee to return to full duties. In other words, the fact that there was an initial prognosis accepted by management of ability to perform the full duties of the employee's regular job on a specific date does not make return to full duty at the end of the mandatory alternate duty assignment on that date automatic.

F. Extension of Mandatory Alternate Duty Assignments

There may be exceptional cases where employees who qualified for and participated in the Mandatory Alternate Duty Program and whose mandatory alternate duty assignment has expired do not fully recover within the specified period. Since their alternate duty assignments automatically expire, these employees may request, and management may elect to continue the assignments on a discretionary basis beyond the established ending date. Such extensions are subject to the terms and conditions of this program and are solely at management's discretion based on submission of additional medical documentation satisfactory to management. Extensions will be granted only for very limited time periods, for example, in single payroll period blocks and only when supported by satisfactory medical documentation.

G. Termination of Mandatory Alternate Duty Assignments

An alternate duty assignment may be terminated prior to its expiration if it is determined, based on medical documentation satisfactory to management, that the employee is able to return to full duties earlier than the original prognosis had indicated. In exceptional cases, management may determine that a mandatory alternate duty assignment in progress is not successful. In that instance, management may elect to modify the mandatory alternate duty assignment to improve the prospects for success. Such changes should be discussed with the employee prior to being implemented. Alternatively, management may rescind the mandatory alternate duty assignment, in which case management is required to provide the employee with a supplement equal to the difference between the employee's full 100 percent statutory benefit rate and the partial disability benefit rate paid to that employee by the SIF. Such supplement will not be paid beyond the point the mandatory alternate duty assignment would have expired.

Appendix VII

Counseling

Counseling is an effort on the part of a supervisor to provide to an employee, positively or negatively, significant feedback regarding on-the-job activity. It is meant to be a positive communication device, clarifying what has occurred and what is expected. Counseling is not disciplinary, having constructive goals, such as assisting in employee development, or teaching or modifying behavior. It involves face-to-face contact and out of respect to the employee and the process, must be conducted in private.

Counseling is not viewed as a routine matter. When contemplating the issuance of a follow-up memo, supervisors should consider if that level of normal response is necessary or appropriate. Not all incidents require counseling, not all counseling requires the issuance of a memo. Consideration of this action may be appropriate for discussion with higher levels of supervision and/or the personnel department. If such a memo is issued to an employee, it must accurately describe the discussion and clearly establish expectations for the future. Overall, counseling is viewed as a supportive supervisory means of communication with employees.

Any grievances regarding counseling are grievable only to the extent provided by Article 18 of the Agreement.

Appendix VIII

Article 22 Employment Security

A. REDEPLOYMENT PROCESS AND PROCEDURES

This process and procedure is developed to support the provisions of Article 22 regarding the redeployment of permanent employees impacted by the State's right to contract out for goods and services. It is the State's intent to redeploy employees affected to the maximum extent possible in instances where the positions will be eliminated as a result of the contracting out for goods and services. All agencies will work cooperatively to ensure that every opportunity to redeploy is explored. Employees will be flexible in considering redeployment alternatives.

(1) General Redeployment Rules and Definitions

(a) Rules

1.a. All employees whose functions will be contracted out will be placed on a redeployment list with the employees' eligibility remaining in effect until the employee is redeployed, exercises their displacement or reemployment rights, or is separated pursuant to the provisions of Article 22.1. However, such list, established pursuant to the intended contracting out of the specific function, will expire when all employees

on that list are either redeployed, exercise their displacement or reemployment rights, or are separated pursuant to Article 22.1. In the event that not all employees in an affected title in a layoff unit must be redeployed, eligibility for retention shall be based on seniority as defined in Section 80 and 80-a of the Civil Service Law, except that employees in such affected titles may voluntarily elect to be redeployed. In the event that more employees elect redeployment than can be accommodated, eligibility for redeployment shall be in order of seniority as defined in Section 80 and 80-a of this law. The names of persons on a redeployment list shall be certified for redeployment in order of seniority.

b. Should an employee not be redeployed prior to separation, that employee shall continue on a redeployment list after separation for a period not to exceed six months or until the employee is redeployed or exercises their reemployment rights.

A redeployment list comprised of separated employees shall be certified to positions occupied by non-permanent employees pursuant to Civil Service procedures, prior to the certification of other reemployment lists.

It is anticipated that, based on Civil Service practice, redeployment lists will be certified against non-permanent appointees within 30-45 days of separation.

2. Redeployment under the terms of Article 22 shall not be used for disciplinary reasons.

3. The State shall make its best efforts to arrange with other nonexecutive branch agencies, authorities and other governmental entities to place redeployed personnel should redeployment in the classified service not be possible.

4. A vacancy in any State department or agency shall not be filled by any other means, except by redeployment, until authorized by the Department of Civil Service. Agencies with authority to fill vacancies will be required to use the redeployment list provided by the Department of Civil Service to fill vacancies.

5. Employees offered redeployment shall have at least five (5) working days to accept or decline the offer.

6. Full-time employees will be redeployed to full-time assignments and part-time employees will be redeployed to part-time assignments, unless the employees volunteer otherwise.

7. Redeployment opportunities within ASU, ISU, OSU and DMNA shall first be offered to affected employees in the units. Exceptions to this section may be agreed to by the Employment Security Committee.

8. There shall be the following types of redeployment:

a. Primary redeployment shall mean redeployment to the employee's

current title, or a title determined by the Department of Civil Service to have substantially equivalent tests, qualifications or duties. Comparability determinations shall be as broad as possible and will include consideration of the professional licenses or educational degrees required of the incumbents of the positions to be contracted out.

b. Secondary redeployment shall be to a title for which the employee qualifies by virtue of their own background and qualifications. Participation shall not be mandatory for either party. If an individual employee is interested in secondary redeployment, the State shall work with that employee to identify suitable available positions and arrange for placements. Should the Department of Civil Service determine that an employee can be certified for appointment to a particular job title, such employee shall be placed on the appropriate reemployment roster immediately upon such determination. Appointments from such reemployment rosters shall be governed by Civil Service Law. The State shall make its best efforts to identify suitable available positions and arrange for placements. Secondary redeployment shall not be considered until primary redeployment alternatives are fully explored.

c. Employees not successfully redeployed through their primary and secondary redeployment options may be temporarily appointed to positions in which they are expected to be qualified for permanent appointment within nine months. At the discretion of the appointing authority and the Department of Civil Service, this period may extend to one year. Participation shall not be mandatory for either party.

When the employee completes the necessary qualification(s) for the position, such employee shall be permanently appointed to the position pursuant to Civil Service Law, Rules and Regulations.

If the employee fails to complete the required qualification(s) for the position, fails the required probation, or is otherwise not appointable, the employee's transition benefits shall be subject to the provisions of subsection 14(d) below.

In the event an employee completes the qualification(s) but is unappointable because of the existence of a reemployment list, that employee shall be placed on the reemployment roster for the title in question.

If the trainee employee is appointed pursuant to the foregoing to a higher-level position, the employee shall retain their present salary while in a trainee capacity.

If the trainee employee is appointed pursuant to the foregoing to a lower level position, a trainee salary rate appropriate to the new position will be determined at the time of appointment.

d. Employees who are redeployed to comparable titles or through

secondary redeployment in a lower salary grade shall be placed on reemployment lists.

9. Agencies with employees to be redeployed shall notify the Department of Civil Service of the name, title and date of appointment of affected employees at least 90 days' prior to the effective date of the contract for goods and services which makes redeployment necessary. If more than 90 days' notice is possible, such notice shall be provided. Agencies shall be responsible for managing the redeployment effort in conjunction with the Department of Civil Service. Employees to be redeployed shall be notified by their agency at the same time as the agency notifies the Department of Civil Service.

10. Redeployment to current or comparable titles shall be accomplished without loss to the redeployed employee of compensation, seniority or benefits (except as affected by new bargaining unit designations). Future increases in compensation of employees redeployed to comparable titles shall be determined by the position to which the employee is redeployed. Subsequently negotiated salary increases shall not permit an employee to exceed the second longevity step of the new position.

11. Salary upon secondary redeployment shall be that appropriate for the salary grade to which the employee is redeployed, as calculated by the Office of the State Comptroller and/or the Director of Classification and Compensation, as appropriate.

12. An employee may elect redeployment to any county in New York State, but the employee may not decline primary redeployment in their county of residence, or county of current work location. Such declination will result in separation without the transition benefits of Article 22.1(b) of the Agreement.

13. Any fees required by the Agency or the Department of Civil Service upon the redeployment of an employee shall be waived. Redeployed employees who qualify for moving expenses under the State Finance Law Section 202 and the regulations thereunder shall be entitled to payment at the rates provided for in the Rules of the Director of the Budget 9 NYCRR Part 155.

14. Probation

a. Permanent non-probationers redeployed to positions in their own title or to titles for which they would not be required to serve a probationary period under Civil Service Law and Rules shall not be subject to further probation.

b. Probationers redeployed to positions in their own title shall serve the balance of their probationary period in the new agency.

c. Employees redeployed to comparable titles for which they would

be required to serve a probationary period under applicable Civil Service Law and Rules or under secondary redeployment shall be subject to a probationary period in accordance with the Rules for the Classified Service.

d. Employees who fail probation shall be eligible for layoff and preferred list rights in their original titles. Additionally, such employees who fail probation shall have an opportunity to select either the transition benefit of an Educational Stipend as set forth in Appendix VIII(B), or the Severance Option as provided for in Appendix VIII(C). The value of the salary earned during the redeployed employee's probation (or in connection with 8(c) above) shall be subtracted from the value of the transition benefit, VIII(B) or VIII(C), chosen by the employee.

(b) Definitions

1. Seniority shall be determined by Section 80 of the Civil Service Law for competitive class employees and by Article 20.1 of the Agreement for non-competitive and labor class employees.

2. In the event that two or more employees have the same seniority date, the employee with the earliest seniority date in an affected title shall be deemed to have the greater seniority. Further tie breaking procedures shall be developed by the Committee and applied consistently.

(2) Role of the Employment Security Committee

The Committee shall meet at least bimonthly to discuss open issues related to the redeployment process. Such issues shall include, but not be limited to comparability determinations; vacancy availability; information sharing in hiring and redeployment; dispute resolution; Civil Service layoff procedures; hardship claims from individual employees in the redeployment process. The Committee shall also explore the viability of expanding the redeployment concept to other reduction in force situations.

(3) Grievability and Dispute Resolution

a. The application of terms of the Appendix shall be grievable only up to Step III of the provisions of Article 34 (Grievance and Arbitration Procedure).

b. Disputes raised to the Step III level will be reviewed by the Employment Security Committee for attempted resolution. If a decision must eventually be rendered and no resolution is agreed to, the decision shall be issued pursuant to the procedures outlined in Article 34.1(b).

B. EDUCATION STIPEND

(1) Eligibility

a. The Education Stipend shall solely apply to permanent employees who are eligible as per Article 22.1, who have agreed to accept the terms as set forth herein and have been notified of their acceptance by the State.

b. Employees who have exercised one of the options described in Section 22.1(b)(ii), (iii) of the Agreement and related Appendices shall be ineligible for the Education Stipend set forth herein.

(2) Stipend

An employee may elect to receive an Education Stipend for full tuition and fees at an educational institution or organization of the employee's choosing to pursue course work or training offered by such institution or organization provided, however, that the employee meets the entrance and/or course enrollment requirements. The maximum stipend cannot exceed the one-year (two semesters) SUNY tuition maximum for Resident Graduate Students. Such tuition will be paid by the State directly to the institution in which the employee is pursuing course work, subject to certification of payment by the agency.

(3) Health Insurance

A permanent affected employee who elects the Education Stipend and is separated, shall continue to be covered under the State Health Insurance Plan at the same contribution rate as an active employee for one year following such separation or until reemployment by the State or employment by another employer, whichever occurs first.

(4) Grievability and Dispute Resolution

a. The application of terms of the Appendix shall be grievable only up to Step III of the provisions of Article 34 (Grievance and Arbitration Procedure).

b. Disputes raised to the Step III level will be reviewed by the Employment Security Committee for attempted resolution. If a decision must eventually be rendered and no resolution is agreed to, the decision shall be issued pursuant to the procedures outlined in Article 34.1(b).

C. SEVERANCE OPTION

(a) Definitions

The terms "affected employee" and "affected employees" shall refer to those employees of the State of New York who are represented by the Civil Service Employees Association, Inc. and who are subject to redeployment pursuant to provisions of Article 22.1, unless otherwise indicated herein.

b. The term "Service" shall mean an employee's State service as would be determined by the Retirement System, regardless of jurisdictional class or Civil Service status.

(2) Eligibility

a. The severance benefits provided by this Severance Option shall apply solely to permanent employees who are eligible pursuant to §22.1, and

b. who have agreed to accept the terms as set forth herein; have been

notified of their acceptance by the State; have executed a Severance Agreement; and are subject further to the limitations set forth in §2.c. below.

c. Employees who have declined a primary redeployment opportunity in county of residence, or county of work location or exercise one of the options described in Article 22.1(b)(i) or (iii) shall be ineligible for the severance benefits set forth in this Severance Option.

(3) Payment Schedule

a. Other than those covered under b. below, all affected employees with at least six (6) months, but less than one year of service are eligible to receive \$2,000 or two-weeks' base pay, whichever is greater.

Each additional year of service will result in a \$600 increase per year to a maximum of \$15,000. However, employees in the following categories will receive the amount specified if that amount exceeds that which would be otherwise payable:

One year of service, but less than three years of service.	4 Weeks of Base Pay
Three years of service, but less than five years of service.	6 Weeks of Base Pay
Five years of service, but less than ten years of service.	8 Weeks of Base Pay
Ten years of service, but less than fifteen years of service.	10 Weeks of Base Pay
Fifteen years of service, but less than twenty years of service.	12 Weeks of Base Pay
Twenty or more years of service.	14 Weeks of Base Pay

b. Affected employees 50 years of age or over may choose the schedule in (a) above or the following at their option:

- employees with 10 years of service, but less than 15 are

- eligible to receive 20 percent of base annual salary.
- employees with 15 years of service, but less than 20 are eligible to receive 30 percent of base annual salary.
- employees with 20 years of service, but less than 25 are eligible to receive 40 percent of base annual salary.
- employees with 25 years of service or more are eligible to receive 50 percent of base annual salary.

(4) Payment Conditions

a. All payments made to affected employees under the Severance Option shall be reduced by such amounts as are required to be withheld with respect thereto under all federal, state and local tax laws and regulations and any other applicable laws and regulations. In addition, the severance payment made pursuant to §3 of this Severance Option shall not be considered as part of salary or wages for the purposes of determining State and member pension contributions and for the purposes of computing all benefits administered by the New York State Employees' Retirement System.

b. All payments made to affected employees under this Severance Option are considered to be one-time payments and shall not be pensionable. Each affected employee must execute a Severance Agreement (sample hereto) prior to separation from State service in order to be eligible to receive said payment.

c. In no event shall an affected employee who returns to State service receive severance pay in an amount that would exceed that which they would otherwise have received as base annual salary during the period of separation from State service. Should the amount of severance pay exceed the amount of base annual pay otherwise earned during the period of separation from State service, said employee shall repay the difference pursuant to the following rules:

i. Any affected employee who resumes State service shall repay such excess payments received within one (1) year of the employee's return to payroll, by payroll deductions in equal amounts.

ii. Nothing in this §4. c. shall affect the State's right to recover the full amount of the monetary severance payment by other lawful means if it has not recovered the full amount by payroll deduction within the time periods set forth herein.

(5) Grievability and Dispute Resolution

a. The application of terms of the Appendix shall be grievable only up to Step III of the provisions of Article 34 (Grievance and Arbitration Procedure).

b. Disputes raised to the Step III level will be reviewed by the Employment Security Committee for attempted resolution. If a decision

must eventually be rendered and no resolution is agreed to, the decision shall be issued pursuant to the procedures outlined in Article 34.1(b).

(6) Health Insurance

A permanent affected employee who elects the severance option and is separated, shall continue to be covered under the State's Health Insurance Plan at the same contribution rate as an active employee for one year following such separation or until reemployment by the State or employment by another employer, whichever occurs first.

(7) Savings Clause

If any provision of this Severance Option is found to be invalid by a decision of a tribunal of competent jurisdiction, then such specific provision or part thereof specified in such decision shall be of no force and effect, but the remainder of this Severance Option shall continue in full force and effect.

Appendix IX

Leave Donation

This Appendix describes the leave donation program applicable to employees of the CSEA Bargaining Units. Detailed guidelines on program administration are contained in Attendance and Leave Manual Appendix H.

Program Description

The intent of the Leave Donation Program is to provide a means of assisting employees who, because of long-term personal illness, have exhausted their accrued leave credits and would otherwise be subject to a severe loss of income during a continuing absence from work. This Appendix extends the current provisions of the Leave Donation Program.

Eligibility Criteria - Donors

In order to donate vacation credits an employee of this unit must:

- have a minimum vacation balance of at least ten days after making the donation, based on the donor's work schedule. Vacation credits which would otherwise be forfeited may not be donated.
- donor identity is kept strictly confidential.

Eligibility Criteria - Recipients

In order to receive donated leave credits, an employee of this unit must:

- be subject to the Attendance Rules or otherwise eligible to earn leave credits.

- be absent due to a non-occupational personal illness or disability for which medical documentation satisfactory to management is submitted as required.
- have exhausted all leave credits.
- be expected to continue to be absent for at least two biweekly payroll periods following exhaustion of leave credits or sick leave at half-pay.
- must not have had any disciplinary actions or unsatisfactory performance evaluations within the employee's last three years of State employment.

Donation to and from Employees in Other Units

Employees of this Unit may participate in the voluntary donation or receipt of accrued vacation credits with employees of other bargaining units or those designated M/C subject to the following conditions:

Vacation credits may only be donated, received, or credited between employees who are deemed eligible to participate in an authorized leave donation program, provided that there are simultaneously in effect a Leave Donation Exchange Memorandum of Agreement between the Office of Employee Relations and the employee organizations representing both the proposed recipient and the proposed donor, or applicable attendance rules for managerial or confidential employees, that authorize such donations.

The donations are governed by the provisions of the program applicable to the donor; receipt, crediting and use of donations are governed by the provisions of the program applicable to the recipient.

Restrictions on Donations

Only vacation credits which would not otherwise be forfeited may be donated. Credits must be donated in full-day units (7.5 or 8 hours). There is no limit on the number of times an eligible donor may make donations. Donated credits not used by recipients are returned to the donor, provided the donor is employed in the same agency as the recipient. Donated credits from employees outside the agency will NOT be returned.

There is no maximum number of days which a recipient employee may accept, provided, however, that donated credits cannot be used to extend employment beyond the point it would otherwise end by operation of law, rule or regulation. There is no maximum number of donors from whom an eligible employee may accept donations.

An employee's continuing eligibility to participate in this program must be reviewed by the agency personnel office at least every 30 days

and more frequently if appropriate, based on current standards as to what constitutes satisfactory medical documentation.

Use of Donated Credits

Donated credits may be used, at the employee's option, in full-day units after exhaustion of all leave credits and prior to sick leave at half-pay or in either full or half-day units after exhaustion of sick leave at half-pay.

An employee who opts to use donated credits prior to sick leave at half-pay is permitted to again participate in this program following exhaustion of sick leave at half-pay. Use in full or half-day units is based on the recipient employee's work schedule.

Donations made across agency lines shall be used prior to donations made within the agency.

Status of Recipient Employees

Recipient employees are deemed to be in leave without pay status for attendance and leave purposes while charging donated leave credits. They do not earn biweekly accruals or observe holidays, nor do they receive personal leave or vacation bonus days if their anniversary dates fall while using donated leave credits. Time charged to donated leave credits does not count as service for earning additional eligibility for sick leave at half-pay.

Employees using donated leave receive retirement service credit for days in pay status.

Health insurance premiums, retirement contributions and other payroll deductions continue to be withheld from the employee's paycheck so long as the check is of an amount sufficient to cover these deductions.

Solicitations

Donations may be solicited by the recipient employee, on their behalf by coworkers or by local union representatives. The employing agency may not solicit donations on the employee's behalf.

Administrative Issues

The employing department or agency is responsible for verifying medical documentation, reviewing eligibility requirements, approving and processing donations, confirming employee acceptance of donations and transferring credits. This program is not subject to the grievance procedure contained in this Agreement.

For purposes of this Appendix, family shall be defined as any relative or any relative-in-law regardless of place of residence, or any person with whom the employee makes their home.

Appendix X

Productivity Enhancement Program

This Appendix describes the Productivity Enhancement Program available to employees in the Administrative Services, Institutional Services, Operational Services and Division of Military and Naval Affairs Units. Detailed guidelines on program administration will be issued by the Department of Civil Service.

Program Overview

Eligible employees may elect to participate in the Productivity Enhancement Program. As detailed below, this program allows eligible employees to exchange previously accrued annual leave (vacation) and/or personal leave in return for a credit to be applied toward their employee share NYSHIP premiums on a biweekly basis.

The program will be available for the entire calendar year in 2023-2026. During each of these years the credit will be divided evenly among the State paydays that fall between January 1 and December 31.

Disputes arising from this program are not subject to the grievance procedure contained in this Agreement.

Eligibility/Enrollment

In order to enroll an employee must:

- Be a classified or unclassified service employee in a title below Salary Grade 25 or equated to a position below Salary Grade 25 or be a non-statutory employee with an annual salary no greater than the job rate of the Salary Grade 24.
- Be an employee covered by the 2021-2026 New York State/CSEA Collective Bargaining Agreements.
- Have a sufficient leave balance to make the full leave forfeiture at the time of enrollment without bringing their combined annual and personal leave balances below 8 days; and
- Be a NYSHIP enrollee (contract holder) in either the Empire Plan or an HMO at the time of enrollment.
- Part-time employees who meet these eligibility requirements will be eligible to participate on a prorated basis.
- Once enrolled for a given year, employees continue to participate unless they separate from State service or cease to be NYSHIP contract holders. Leave forfeited in association with the program will not be returned, in whole or in part, to employees who cease to be eligible for participation in the program.

During any calendar year in which an employee participates, the credit established upon enrollment in the program will be adjusted only if the

employee moves between individual and family coverage under NYSHIP during that calendar year.

Open enrollment will be offered during the month of November of each year PEP is offered. The exact dates of open enrollment will be established by the Department of Civil Service. Employees will be required to submit a separate enrollment for each calendar year in which they wish to participate.

Calendar Years 2023-2026

- (SG 1-17) Full-time employees, up to and including SG-17 (or non-statutory employees with an annual salary no greater than the job rate of SG-17), who enroll in the program will be eligible to forfeit a total of either 4 or 8 days of annual and/or personal leave standing to their credit at the time of enrollment in return for a credit of up to either \$800 or \$1,600 to be applied toward the employee share of NYSHIP premiums and deducted from biweekly paychecks in that year. The credit will be divided evenly among the State paydays that fall between January 1 and December 31, of each year the employee elects to enroll.

- (SG 18-24) Full-time employees in SG-18 (or non-statutory employees equated to SG-18, or in the absence of that, employees with an annual salary exceeding the job rate of SG-17) up to and including SG-24 (or non-statutory employees with an annual salary no greater than the job rate of SG-24), who enroll in the program will be eligible to forfeit a total of 2.5 or 5 days of annual and/or personal leave standing to their credit at the time of enrollment in return for a credit of up to either \$750 or \$1,500 to be applied toward the employee share of NYSHIP premiums deducted from bi-weekly paychecks in each year. This credit will be divided evenly among the State paydays that fall between January 1 to December 31, of each year the employee elects to enroll.

Eligible part-time employees:

- in Grades 1-17 who participate in any calendar year will forfeit a total of 3 or 6 prorated days of annual and/or personal leave per year of participation and receive a prorated credit toward the employee share of their health insurance premiums based on their payroll percentage.

- in Grades 18-24 who participate in any calendar year will forfeit a total of 2 or 4 prorated days of annual and/or personal leave per year of participation and receive a prorated credit toward the employee share of their health insurance premiums based on their payroll percentage.

Appendix XI

Voluntary Reduction in Work Schedule

Program Guidelines Introduction:

Voluntary Reduction in Work Schedule (VRWS) is a program that allows employees to voluntarily trade income for time off. The VRWS program is available to eligible annual-salaried employees in the Administrative Services Unit (ASU), Operational Services Unit (OSU), Institutional Services Unit (ISU), and Division of Military and Naval Affairs Unit (DMNA). Individual VRWS agreements may be entered into for any number of payroll periods up to a maximum of 26 bi-weekly pay periods in duration and must expire at the end of the last payroll period in the fiscal year.

1. Purposes

a. VRWS provides agencies with a flexible mechanism for allocating staff resources.

VRWS permits employees to reduce their work schedules to reflect personal needs and interests.

2. Limitations: Eligibility, Work Schedule Reduction, Term of VRWS

a. Eligibility: This program is available to certain annual-salaried employees in the Administrative Services, Operational Services, Institutional Services and Division of Military and Naval Affairs Units.

(1) Employees are required to be employed to work on a full-time annual salaried basis for a minimum of one bi-weekly payroll period immediately prior to the time of entry into the VRWS Program. Time on paid or unpaid leave from a full-time annual salaried position satisfies this requirement.

and

Employees must remain in a full-time annual salaried position during the term of the VR agreement.

and

Employees must have one continuous year of State service on a qualifying schedule (any schedule which entitled the employee to earn leave credits, not necessarily a full-time schedule).

Consistent with the way in which creditable service is counted under the Attendance Rules, separations of less than one year and periods of leave without pay of any duration are not counted toward the one-year service requirement but do not constitute a break in service. Employees who separate from State service (through resignation, termination, layoff, etc.) for more than one year cannot count service preceding that break in service toward the one-year requirement (unless the employee is reinstated by the Civil Service Commission or Department or

appointed while on a preferred list.) Payroll periods of VRWS participation, Sick Leave at Half Pay, or Workers' Compensation Leave and time on the Leave Donation Program will count toward the one-year service requirement.

b. Work Schedule Reduction: Participating employees may reduce their work schedules (and salaries) a minimum of five (5) percent, in five percent increments, up to a maximum of thirty (30) percent.

c. Term of VRWS Program: Effective with the first full bi-weekly payroll period in October 2000, the VRWS program will commence for employees in the Administrative Services, Operational Services, Institutional Services and Division of Military and Naval Affairs Units.

3. Description of an Employee VRWS Agreement

a. An employee develops a plan for a reduced work schedule.

b. Management reviews and approves the plan as long as it is consistent with operating needs.

c. Jointly agreed plan specifies:

(1) Duration of VRWS agreement which may be up to a maximum of 26 bi-weekly payroll periods with the VRWS agreement expiring the last day of the last payroll period in the fiscal year.

(2) Percentage reduction of work schedule and salary.

(3) Amount of VR time earned in exchange for reduced salary.

(4) Schedule for use of VR time earned. This may be either a fixed schedule, e.g., every Friday, every Wednesday afternoon, an entire month off, etc. or intermittent time off.

(i) An employee's fixed schedule VR time off, once the VRWS schedule has been agreed upon by management, cannot be changed without the consent of the employee except in an emergency. In the event an employee's schedule is changed without their consent, the employee may appeal this action through an expedited grievance procedure.

(ii) VR time used as intermittent time off will be subject to scheduling during the term of the VRWS agreement and will require advance approval by the employee's supervisor.

d. While the VRWS agreement is in effect, the employee will earn and accumulate VR credits in accordance with the percentage reduction in work week, e.g., a 10 percent reduction will result in 7.5 or 8 hours of VR credit earned each payroll period which the employee will charge on their scheduled VR absences. If the employee's VRWS schedule calls for one-half day off every Friday afternoon, 3.75 or 4 hours of VR credits will be charged for each Friday. An employee whose VRWS agreement calls for a 10 percent reduction and taking an entire month off will work their full 37.5 or 40 hours each week, accrue 7.5 or 8 hours of VR credit each payroll period, and have the accumulated VR credits to use during

that month.

e. The employee never goes off the payroll. The employee remains in active pay status for the duration of the agreement and receives pay checks each payroll period at the agreed-upon, temporarily reduced level.

f. The employee will work a prorated share of their normal work schedule over the duration of the agreement period.

g. Participation in the VRWS program will not be a detriment to later career moves within the agency or the State.

h. Scheduled non-work time taken in accordance with a VRWS agreement shall not be considered to be an absence for the purpose of application of Section 4.5(f) of the Civil Service Rules governing probationary periods.

4. Time Limits

The employee and management can establish a VRWS agreement on a fiscal year basis of any number of payroll periods in duration from one (1) to twenty-six (26). The VRWS contract expires the last day of the last payroll period in the fiscal year. The VRWS agreement must begin on the first day of a payroll period and end on the last day of a payroll period. VRWS ending balances must be segregated for each fiscal year. The employee and management may, by agreement, discontinue or modify the VRWS agreement if the employee's needs or circumstances change.

5. Time Records Maintenance

a. All VRWS schedules will be based on the crediting and debiting of VR credits on the employee's timecard against a regular 37.5- or 40-hour workweek.

b. VR credits earned during an agreement may be carried on the employee's timecard past the end of the individual VRWS agreement and past the end of the fiscal year but must be liquidated by the September 30th following the end of the fiscal year in which the individual VRWS agreement expires. VRWS ending balances must be segregated for each fiscal year.

c. There is no requirement that existing paid leave credits (including previously earned and banked VR credits) be exhausted prior to the beginning of the new VRWS agreement. However, agencies should encourage employees to use carried-over VR credits on a priority basis.

6. Advancing of VR Credits: Recovering a VR Credit Debit

a. To accommodate an employee whose VRWS agreement calls for an extended absence during the agreement period, an agency may advance VR credits in an amount not to exceed the number of hours for which the employee is paid in one payroll period.

b. If an employee terminates their employment and has a VR debit, the agency shall recover the debit from the employee's lagged salary payment for their last payroll period at work.

7. Coordination with Alternative Work Schedules

It is possible to coordinate VRWS agreements with Alternative Work Schedule arrangements when desired by the employee and consistent with operating needs. For example, a VRWS agreement may be combined with four-day week scheduling for a 37.5 hour/ week employee by the employee opting for a 10 percent reduction to produce a workweek of 3 days of 8.5 hours and 1 day of 8.25 hours. Such a schedule would generate savings for the employee of commuting expenses, childcare costs, etc. An alternative work schedule which applies to a single employee is considered to be an individualized work schedule and does not require approval through the normal Alternative Work Schedule approval process.

8. Effect on Benefits and Status

The effect of participation in the VRWS program on benefits and status is outlined in Appendix A.

9. Effect on Overtime Payment for Overtime Eligible Employees

Scheduled absences charged to VR credits, unlike absences charged to leave credits, are not the equivalent of time worked for purposes of determining eligibility for overtime payments at premium rates within a workweek. For example, an employee who, under an 80 percent VRWS schedule, works four days, charges the fifth day to VR credits, and is called in to work a sixth day, will not be considered to have worked the fifth day and thus will not be entitled to premium rate payments on the sixth day. Similarly, VR credits earned, banked and charged after the payroll period in which they are earned are not counted in determining eligibility for overtime in the workweek in which they are charged. However, employees who work full time at reduced salary and bank VR credits who, as the result of working and charging leave accruals other than VR credits, exceed their normal 37.5 or 40-hour workweek continue to be eligible for overtime compensatory time and paid overtime in that workweek as appropriate.

Sections 135.2(h) and (i) of Part 135 of the Budget Director's Overtime Rules are waived to the extent necessary to permit payment of overtime compensation to overtime-eligible employees who are participating in this program.

10. Discontinuation or Suspension of VRWS Agreements

Although VRWS agreements are for stated periods of time, they can be discontinued by mutual agreement at the end of any payroll period. VR agreements may be discontinued, at management discretion, when

an employee is promoted, transferred or reassigned within an agency, facility or institution, although VR credits must be carried forward on the employee's time record.

VR agreements may also be discontinued when an employee moves between agencies or between facilities or institutions within an agency. (See Provisions for Payment of Banked (Unused) VR Time in Exceptional Cases below.)

Employees who go on sick leave at half pay for 28 consecutive calendar days, who receive leave donation credits for 28 consecutive calendar days or who are absent because of a work-related injury or illness for 28 consecutive calendar days will have their VRWS agreement suspended and be returned to their normal fulltime work schedule and pay base. For accidents occurring on or after July 1, 1992, CSEA employees covered under the Statutory Benefit Program will continue on VRWS until the first day they are placed on workers' compensation disability leave, at which time they will have their VRWS agreement suspended. Suspension of a VR agreement does not extend the agreement beyond its scheduled termination date. If the employee returns to work prior to the scheduled termination date of the VR agreement, the employee's participation in the VR agreement resumes and continues until the scheduled termination date, unless both parties agree to terminate the agreement.

11. Provisions for Payment of Banked (Unused) VR Time in Exceptional Cases

The VRWS program is intended to be a program that allows employees to voluntarily trade income for time off. The agreement for program participation between the employee and management includes a plan for the use of VR time earned. Management must make every effort to ensure that VR time earned by an employee is used (1) under the terms of the individual VRWS agreement, (2) before the September 30th liquidation date (see Section 5b), (3) before the employee separates from State service, and (4) while the employee is on the job they were in when the VRWS program agreement was made. If this is not possible, payment for banked (unused) VR time may be made in exceptional cases that fall under the following criteria:

(a) Upon layoff, resignation from State service, termination, retirement or death, unused VR time will be paid at the then current straight time rate of pay.

(b) Upon movement of an employee from one agency to another or between facilities or institutions within an agency, unused VR time will be paid at the then current straight time rate of pay by the agency or facility/institution in which the VR time was earned, unless the employee

requests and the new agency or facility/institution accepts the transfer of the VR time on the employee's timecard. The lump sum payment for VR balances upon movement to another agency or facility/institution will be made irrespective of whether or not the employee is granted a leave of absence from the agency where the VR time was earned. Payment will be made within two payroll periods following the move to the new agency/ facility/institution.

(c) VRWS ending balances must be segregated for each fiscal year. Employees who accumulate VR time in a fiscal year and who are unable to use the VR time by the applicable September 30th liquidation date due to management requirements predicated on workload will be paid at the then current straight time rate of pay. Payment will be made within two payroll periods following the applicable September 30th liquidation date. Requests for payment in the exceptional cases specified in this subparagraph, as distinct from those specified in subparagraphs (a) and (b) above, should be directed to OER Research Division-VRWS Program and will be decided on a case-by-case basis.

In all cases where payment for unused VR time is made, notification of payment must be sent to OER Research Division-VRWS

Program. Such notification must include date of payment, circumstances of payment, employee's name, title, number of hours in the employee's normal workweek (37.5 or 40), number of days of unused VR time, daily rate of pay, and gross dollar amount of payment. In addition, agencies must certify that they have not already used these savings for replacement staff in other programs or, if they have, identify another funding source for the payment.

12. Review of VRWS Denials

a. Individual Requests

An employee whose request to participate in the VRWS program has been denied shall have the right to request a written statement of the reason for the denial. Such written statement shall be provided within five working days of the request. Upon receipt of the written statement of the reason for the denial, the employee may request a review of the denial by the agency head or the designee of the agency head. Such requests for review must be made, and will be reviewed, in accordance with the following procedure:

(1) Requests must be submitted by the employee or the employee's representative within ten working days of receipt of the written statement or of the date when the written statement was due.

(2) Requests must be submitted to the official who serves as the agency head's designee at Step 2 of the grievance procedure. Employees of facilities must concurrently provide a copy of such request to the

facility head.

(3) Such requests shall specify why the employee believes the written reasons for the denial are improper. The request must explain how the employee believes their work can be reorganized or reassigned so that their participation in the VRWS program will not unduly interfere with the agency's program operations.

(4) The designee of the agency head shall review the appeal and make a determination within ten working days of receipt. The determination shall be sent to the employee and a copy shall be sent to the President of CSEA. The determination shall be based on the record, except that the agency head's designee may hold a meeting with the employee and/or the employee's supervisors if the designee believes additional information or discussion is required to make a determination. If the employee believes that there are special circumstances that make a meeting appropriate, the employee may describe these circumstances in addition to providing the information specified in paragraph 3 above, and request that a review meeting be held. The agency head's designee shall consider such request in determining whether or not to hold a review meeting.

(5) The determination of the agency head's designee shall not be subject to further appeal.

b. Facility-Wide or Agency-Wide Practices

When CSEA alleges that an agency or a facility, or a sub-division thereof, has established a practice of routinely denying employee applications to participate, this matter shall be an appropriate subject for discussion in a labor/management committee at the appropriate level. Such labor/management discussions shall be held in accordance with relevant provisions of the applicable negotiated agreement.

13. Exceptions

The restrictions and limitations contained in these Program Guidelines may be waived by the Office of Employee Relations whenever that Office determines that strict adherence to the guidelines would be detrimental to the sound and orderly administration of State government.

Appendix XII

Leave Adjustment Program for Part-Time Annual Salaried Employees

The following describes the benefit available to eligible part-time annual salaried employees scheduled to work additional hours beyond their payroll percentage. Agencies must set up a procedure to review time records to provide the negotiated benefit described below.

This program is no longer a pilot program.

Eligibility

The provisions of this Program apply to eligible part-time annual salaried employees scheduled to work hours in excess of their payroll percentage.

In order to participate in this Program, part-time annual salaried employees must be employed to work a schedule equated to their payroll percentage which entitles them to earn leave credits under the Attendance Rules (either five days per week or at least half-time per bi-weekly pay period), not including the additional time worked above their payroll percentage.

“Employed to work a schedule” that entitles the employee to earn leave credits under the Attendance Rules means that the schedule assigned to the employee qualifies for the earning of leave credits under the Attendance Rules. The employee need not actually work that schedule each pay period in order to remain eligible.

The employee may be on paid or unpaid leave from a qualifying schedule.

The additional time worked cannot be counted to qualify an otherwise ineligible employee to earn leave credits under the Attendance Rules. Leave credits can be granted for additional time worked only as described in this Program to part-time annual salaried employees already eligible to earn leave credits under the Attendance Rules for their work schedule equated to their payroll percentage.

For example, an employee with a payroll percentage of 40% and corresponding work schedule of four days per pay period cannot

participate in the Program even though the employee works additional time for a fifth day each pay period because the employee's work schedule based on their payroll percentage is not a qualifying schedule. On the other hand, an employee with a payroll percentage of 50% earns leave credits under the Attendance Rules based on the work schedule corresponding to their payroll percentage and is eligible to be granted vacation, sick leave and personal leave adjustment credits for additional time worked beyond their 50% schedule under this Program.

Participating employees are not eligible to be credited under this Program for additional hours worked in excess of the normal 37.5 or 40-hour workweek.

Vacation and Sick Leave

1. Agencies must review the additional time worked by eligible part-time annual salaried employees twice a year, for pay-rolls 1-13 and for payrolls 14-26. Additional vacation and sick leave will be credited within 60 days after the end of payroll period 13 and within 60 days after the end of payroll period 26.

The first crediting of additional vacation and sick leave occurred within a 60-day recording period following pay period 13 of fiscal year 2000-2001.

The provisions regarding the special rate for calculating vacation adjustment credits for employees who earn vacation at the 20-day rate apply to additional hours worked beginning in pay period 1 of fiscal year 2004-2005. The first crediting at this rate will occur within a 60-day period following the end of pay period 13 of fiscal year 2004-2005.

2. Agencies must credit eligible employees with vacation and sick leave adjustment credits proportional to the additional hours worked during the 13 pay periods under review.

Sick Leave Adjustment Credits

An employee must have worked a minimum of five (5) hours of additional time above the number of hours equated to their payroll percentage to earn an additional one-quarter (1/4) hour of sick leave. Eligible employees are credited with one-quarter (1/4) hour of sick leave for every five (5) hours of additional time worked during the thirteen pay periods under review. For this purpose, time worked includes time charged to leave credits (see 3 below).

Vacation Adjustment Credits for Employees Who Accrue at the Thirteen-Day Rate

An employee who earns vacation at the 13-day rate must have worked a minimum of five (5) hours of additional time above the number of hours equated to their payroll percentage to earn an additional one-quarter (1/4) hour of vacation. Eligible employees are credited with one-

quarter (1/4) hour of vacation or every five (5) hours of additional time worked during the thirteen pay periods under review. For this purpose, time worked includes time charged to leave credits (see 3 below).

Vacation Adjustment Credits for Employees Who Accrue at the Twenty-Day Rate

An employee who earns vacation at the 20-day rate must have worked a minimum of three and one quarter (3.25) hours of additional time above the number of hours equated to their payroll percentage to earn an additional one-quarter (1/4) hour of vacation. Eligible employees are credited with one-quarter (1/4) hour of vacation for every three and one quarter (3.25) hours of additional time worked during the thirteen pay periods under review. For this purpose, time worked includes time charged to leave credits (see 3 below).

When an employee's seventh anniversary date falls during the 13 pay periods under review, the employee will be credited with vacation adjustment credits at the 13-day rate for those 13 pay periods and thereafter will be credited with vacation adjustment credits at the 20-day rate.

Some examples follow:

A.1. During payroll periods 1-13 of 2004, a half-time ASU employee with three years of creditable service works a total of 80 hours beyond her normal half-time schedule. This employee would be credited with an additional four (4) hours of vacation and four (4) hours of sick leave within 60 days after payroll period 13. (80 hours of additional time worked divided by 5 hours = 16 five-hour segments multiplied by .25 hour credited for each 5 hours of additional time worked = four (4) hours of additional vacation and four (4) hours of additional sick leave.)

A.2. During payroll periods 14-26, this employee works 155 hours above her payroll percentage and earns 7.75 hours of additional vacation and 7.75 hours of additional sick leave. (155 hours divided by 5 hours = 31 five-hour segments multiplied by .25 hour credited for each 5 hours of additional time worked = 7.75 hours of additional vacation and 7.75 hours of additional sick leave credit.)

B.1. During payroll periods 1-13 of 2004, a half-time ASU employee with ten years of creditable service works a total of 80 hours beyond her normal half-time schedule. This employee would be credited with an additional six and one quarter (6.25) hours of vacation and four (4) hours of sick leave within 60 days after payroll period 13. The vacation is calculated as follows: 80 hours of additional time worked divided by 3.25 hours = 24.62 three and one-quarter hour segments multiplied by .25 hour credited for each 3.25 hours of additional time worked = 6.15

hours. Rounding to the nearest quarter hour, the employee receives 6.25 hours of additional vacation. The sick leave is calculated as described in example A1 above.

B.2. During payroll periods 14-26, this employee works 155 hours above her payroll percentage and earns 12 hours of additional vacation and 7.75 hours of additional sick leave. The vacation is calculated as follows: 155 hours divided by 3.25 hours = 47.69 three and one quarter hour segments multiplied by .25 hour credited for each 3.25 hours of additional time worked = 11.92 hours. Rounding to the nearest quarter hour, the employee receives 12 hours of additional vacation. The sick leave is calculated as described in example A2. above.

3. Employees must charge accruals on the basis of the total number of hours the employee is scheduled to work on a given day, beginning with the first day following the payroll period in which the employee is first credited with additional vacation and sick leave under this Program. Until the first time the employee is credited with additional vacation and sick leave, the employee who takes a day off charges credits only to cover the normal schedule corresponding to the payroll percent and not to cover any additional scheduled hours. The employee simply does not receive pay for those additional hours. Beginning with the pay period after being credited for the first time with additional vacation and sick leave, the employee is required to charge credits for all scheduled hours on a given day, including any additional scheduled hours, and therefore receives pay for those additional hours.

For example, a 50 percent employee on the administrative payroll cycle who works 20 hours per week, four hours per day, begins working additional time for the first time in pay period 1 in fiscal year 2004-2005. On November 1, 2004, the employee takes a day of sick leave, charges 4 hours to cover his normal schedule, and receives 4 hours pay for the day even though he was scheduled to work additional time on that day. On November 3, 2004, the last day of a pay period, the employee is credited for the first time with additional vacation and sick leave under this Program for pay periods 1 through 13. On November 4, 2004, the employee takes a day of vacation. His work schedule on that day is 8 hours, including 4 hours of additional time. He is required to charge 8 hours to cover his full schedule and receives 8 hours pay for the day.

4. Vacation and sick leave adjustment credits must be added to the employee's regular vacation and sick leave balances. Employees continue to be subject to a prorated sick leave maximum, and to a prorated vacation maximum on April 1 of each year, based on their payroll percentage. Employees who separate from State service receive a lump sum payment for unused vacation of up to 30 prorated days based

on their payroll percentage. Separating employees should be credited as of the date of separation with any additional leave to which they are entitled under this Program so that such leave can be included in the vacation lump sum payment and, for retirees, in the calculation of retirement service credit and the sick leave credit for health insurance in retirement, subject to applicable maximums based on the employee's payroll percentage.

Personal Leave

1. Agencies must review the additional time worked by eligible part-time annual salaried employees once a year. Employees who work additional time will be credited with personal leave adjustment credit once a year on the personal leave adjustment date. The personal leave adjustment date will not change if the employee is not in pay status on that date. The first personal leave adjustment date was May 30, 2001, for the period April 1, 2000, through March 31, 2001.

2. Agencies must credit eligible employees with personal leave adjustment credits proportional to the number of additional hours worked during the 26 pay periods under review. An employee must have worked a minimum of 13 hours of additional time above the number of hours equated to their payroll percentage to earn an additional one-quarter (1/4) hour of personal leave. Eligible employees are credited with one-quarter (1/4) hour of personal leave for every 13 hours of additional time worked during the 26 pay periods under review. For this purpose, time worked includes time charged to leave credits.

For example, during the period April 1, 2004, through March 31, 2005, an ISU employee works a total of 235 hours beyond her payroll percentage and earns 4.50 hours of personal leave adjustment time. (235 hours of additional time worked divided by 13 hours = 18.08 13-hour segments multiplied by .25 hour credited for each 13 hours of additional time worked=4.52 hours. Rounding to the nearest quarter hour, the employee received 4.50 hours of personal leave adjustment credit.)

3. Employees must charge accruals on the basis of the total number of hours the employee is scheduled to work on a given day beginning with the first day following the pay period in which the employee is first credited with additional vacation and sick leave credits under this Program (see Vacation and Sick Leave (3) above).

4. Personal leave adjustment credits accrued as a result of additional time worked will be kept in a separate leave category called "Personal Leave Adjustment."

5. An employee will have 12 months from the personal leave adjustment date to use personal leave adjustment credits. Unused leave will lapse at close of business on the day prior to the personal leave

adjustment date.

6. If the payroll percentage of an eligible employee changes (i.e., 50% to 75%, 50% to 100%, etc.) the employee's unused regular personal leave balance will be converted to days based on the new percentage. Personal leave adjustment time will not be carried forward.

Additional Issues

Agencies or facilities may develop procedures in local labor/management regarding access during the 60-day recording period, in cases of special need for leave, to vacation, sick leave and personal leave adjustment credits earned but not yet recorded.

Appendix XIII

Empire Plan Protections to Ensure Network Access

This Appendix reflects the access protections in place as of the date of this Agreement and may be updated during the term of the Agreement due to changes in laws, rules, regulations, and other mandates. Please refer to the *Empire Plan Certificate of Insurance* for the most current access protections.

Out-of-Network Referral Mandate

Under NYS Law, the Empire Plan must provide access to primary care and specialty providers if services are not available within a 30-mile radius or 30-minute travel time from your home address. This requirement applies to Empire Plan primary enrollees residing within the United States. Contact the appropriate Empire Plan administrator if you require access to a certain provider.

Out-of-Network Referrals

Under NYS law, if the Empire Plan network does not have a provider accessible to you who has the appropriate level of training and experience to treat a condition, you have the right to request an out-of-network referral to a qualified provider. You or your provider must first request approval from the appropriate Plan administrator to receive consideration for the service to be paid at an in-network level.

If the Plan approves the request, you must use the approved out-of-network provider. Covered services will be paid at the in-network benefit level, with any applicable network copayment owed.

If the Plan denies the request, benefits for covered services are available under out-of-network benefit provisions, subject to deductible

and coinsurance. The enrollee and the enrollee's referring provider can file an external appeal through the NYS Department of Financial Services (DFS).

Surprise Bills

Provisions of state and federal law protect patients from being responsible for healthcare charges that may have been provided and were not in the patient's control. Under these laws, the patient's out-of-pocket responsibility may be limited to the network out-of-pocket charges for any bill deemed to be a surprise bill.

Surprise Bills anywhere in the United States/U.S. Territories

When you receive healthcare services from a non-participating doctor, the bill you receive for those services will be considered a surprise bill if:

- You received services at a network hospital or ambulatory surgical center and nonparticipating health care professional charges are billed separately for anesthesiology, pathology, radiology, and neonatology; care provided by assistant surgeons, hospitalists, and intensivists; and diagnostic services (including radiology and laboratory services).
- You received other services at a network hospital or ambulatory surgical center and a participating doctor was not available and you did not sign a consent form with the nonparticipating health care professional agreeing to be financially responsible beyond your network copayment.

Surprise Bill within New York State

- A participating health care professional sends a specimen taken from the patient in the office to a nonparticipating laboratory or pathologist without your explicit written consent.
- Unforeseen medical circumstances arose at the time the healthcare services were provided.
- A nonparticipating healthcare professional provided services without your knowledge in the participating healthcare professional's office or practice during the same visit.

Contractual Protections:

Network Benefits at a Non-Network Hospital/Facility
Network benefits will be approved at a non-network hospital/facility.

- When no network facility is available within 30 miles of your residence.
- When no network facility within 30 miles of your residence can provide the covered services, you require.
- When the admission is deemed an emergency or urgent inpatient or outpatient service.
- When care is received outside the United States.
- When another plan, including Medicare, is providing primary coverage.

Network Benefits through the Home Care Advocacy Program

The Empire Plan's Home Care Advocacy Program provides home care services, certain durable medical equipment, and medical supplies. You must call HCAP to arrange for services and use an HCAP approved provider to receive paid in full benefits under network coverage. Call the Empire Plan at 1-877-769-7447 and choose the Medical/Surgical Program, then choose the option for the Home Care Advocacy Program.

Guaranteed Access - Chiropractic Treatment, Physical Therapy and Occupational Therapy

You are guaranteed that network benefits will be available to you under the Managed Physical Medicine Program.

Should a member not be able to find an in-network provider within a reasonable distance from their home, they should contact the Empire Plan's Managed Physical Medicine Program to request in-network level of benefits. Call the Empire Plan at 1-877-769-7447 and choose the Medical/Surgical Program.

MPMP will make arrangements for you to receive medically necessary chiropractic treatment, physical therapy, or occupational therapy, and you will pay only your applicable copayment for each visit. But you must call first and you must use the provider with whom MPMP has arranged your care. You must follow program requirements if you seek treatment anywhere in the United States, including Alaska and Hawaii. Reasonable distance from the enrollee's residence is defined by the

following mileage standards:

Urban: 1 network provider within 3 miles

Suburban: 1 network provider within 15 miles

Rural: 1 network provider within 40 miles

Medical and Specialty Services

Guaranteed Access Medical and Specialty Services

Guaranteed access was negotiated by CSEA commencing in 2012 for Empire Plan primary members.

The Empire Plan will guarantee access to network benefits for covered services provided by primary care physicians and specialists (listed below) in New York State and counties in Connecticut, Massachusetts, New Jersey, Pennsylvania and Vermont that share a border with the State of New York when there are no participating providers within a reasonable distance from the enrollee's residence.

To receive network benefits, enrollees must call the Empire Plan Medical/Surgical Program at 1-877-769-7447 prior to receiving services and use one of the providers approved by the Program. You will be responsible for contacting the Provider to arrange care. Appointments are subject to Provider's availability and the Program does not guarantee that a Provider will be available in a specified time. Guaranteed access applies when The Empire Plan is Your primary health insurance coverage (pays benefits first, before any other group plan or Medicare), the enrollee lives in New York State or bordering counties in Connecticut, Massachusetts, New Jersey, Pennsylvania and Vermont and there is not an Empire Plan Participating Provider within a reasonable distance from the enrollee's residence.

Network benefits are guaranteed within the specified mileage standards for the following primary care and core specialties:

- Primary Care: Family Practice, General Practice, Internal Medicine, Pediatrics, Obstetrics/Gynecology
- Specialists: Allergy, Anesthesia, Cardiology, Dermatology, Emergency Medicine, Gastroenterology, General Surgery, Hematology/Oncology, Neurology, Ophthalmology, Orthopedic Surgery, Otolaryngology, Pulmonary Medicine, Radiology, Rheumatology, Urology

Reasonable distance from the enrollee's residence is defined by the following mileage standards:

Urban:	Primary Care 8 miles	Specialist 15 miles
Suburban:	Primary Care 15 miles	Specialist 25 miles
Rural:	Primary Care 25 miles	Specialist 50 miles

Guaranteed Access – Mental Health and Substance Use

The Empire Plan’s Clinical Referral Line (CRL) provides guaranteed access under the Empire Plan’s Mental Health and Substance Use Program (MHSU) when a network provider is not available for treatment of mental health or substance use disorder.

If you cannot locate a network provider in your area, contact the Clinical Referral Line (CRL) for an out-of-network referral. The CRL is available 24 hours a day, 7 days a week by calling 1-877-769-7447, select the option for the Mental Health and Substance Use Program and then choose Clinical Referral Line. If the referral is approved, the claim will be processed as network.

Urban: 1 network practitioner within 3 miles
1 network facility within 5 miles

Suburban: 1 network practitioner within 15 miles
1 network facility within 5 miles

Rural: 1 network practitioner within 40 miles
1 network facility within 40 miles
