

2024 Membership Achievement Award Nomination Criteria

If you know of a member, group of members, committee, Unit or Local that has worked successfully to sign new members into the union or convert agency shop fee payers into members, now is the time to recognize their hard work!

CSEA is only as strong as the membership. The union's ability to negotiate good contracts, protect workers and jobs, win elections and more depends on members. The CSEA Membership Achievement Award honors a CSEA member, group of members, committee, Unit or Local that has strengthened the union by signing up newly hired employees as CSEA members or converting agency shop fee payers into members.
