

Congressman Suozzi: Oppose Medicaid Funding Cuts

CSEA is deeply concerned about proposed Medicaid cuts and their devastating impact on services in District 3. Medicaid provides essential healthcare to millions of New Yorkers, including seniors, people with disabilities, and working families.

CSEA Members Provide Essential Medicaid Services

Our members work in public hospitals, OPWDD, mental health services, and local government programs that rely on Medicaid funding. Without adequate support, these services will collapse, leaving the most vulnerable without care.
