

Invitation to Attend

CSEA's Annual Delegates Meeting

Our 116th Annual Delegates Meeting will be held this year at the Sheraton Times Square in New York City from October 5-9. Our theme is "Your Voice Builds Our Power."

The strength of CSEA has always come from our members. Every conversation we have, every new member we sign up, every workplace action we take and every time we stand together, we are building the power of our union.

As we continue to face challenges and attacks on working people, we must remain focused on what makes us strong — our collective voice. When CSEA members are informed, involved and engaged, there is no limit to what we can accomplish together.

This constitutional year, we will come together to conduct the important business of our union, participate in valuable workshops and recognize our many accomplishments. ADM also gives us the opportunity to meet and connect with fellow CSEA members from across the state, share experiences and learn from one another. The workshops, training opportunities and discussions throughout the week are designed to give you the skills and resources needed to continue growing our union's strength in your workplace and communities.

We will also honor members who set the standard for leadership and activism through the Danny Donohue Leadership Awards, Nadra Floyd Award and Membership Achievement Award. Their dedication reminds us that every member has the ability to make a difference and help move CSEA forward.

Your voice matters. Your involvement matters. Together, we will continue building a stronger, more powerful CSEA.

Please make your plans to join me and our union family in New York City. I look forward to seeing you all there!

In solidarity,

A handwritten signature in black ink that reads "Mary".
